Subject CPCESU NEW TASK AGREEMENT APPROVAL: AAF
(R1445120022) GLCA - Pediocactus bradyi survey project
(Haskins) \$8,000

I have reviewed the attached documents for the project referenced above and find it appropriate for processing under Cooperative Agreement No. H1200-09-0005. There is evidence of substantial involvement from NPS (see Attachment 4.9).

Mary Anne - This is a NR project for RE. No students are involved in this project.

(Kris - I redid your SF-424a to break out the salaries and fringe benefits. I have Adobe Acrobat, so I'm able to save a fillable form.)
