Virtual Leadership Academy & Technology Camp Application

June 7 – 11, 2021

Arizona GEAR UP invites 9th graders to a FREE five-day, first-ever Virtual Summer Leadership Academy & Technology Camp. The only requirement is you must attend one of our Achieve60 Schools or one of the our 5E Partner Schools. You'll want to apply soon—limited space is available.

There's something for everyone—from designing your own robot to connecting with your inner leader. Also, you get to customize your schedule based on your own passions and interests. Every student receives a free robot, too.

Leadership activities include building self-confidence, tapping into your creative side, expressing yourself, engaging your true leader, and so much more. You will come away feeling better about yourself and ready to charge into your future.

How to Submit Your Application: You can submit completed forms by scanning and emailing GEAR UP at gear.up@nau.edu. If you do not have a scanner, you can send us a picture of your form in an email, or text it to us at (520) 317-5192.

AZGU will reach out to you in the future to confirm your participation.

Still have questions? Contact Arizona GEAR UP at gear.up@nau.edu or call (602) 776-4616.
