### ***In Memory of Elaine Loven***

This Fund is established by Pat Loven in loving memory of her daughter, Elaine. Elaine grew up in Flagstaff, Arizona, and graduated summa cum laude from Northern Arizona University in 1993 with a bachelor’s degree in German and a minor in Accounting. An overachiever by nature, Elaine excelled at all she did. In addition to being an honors graduate, she was also very active in many academic organizations, serving in leadership roles in Mortar Board, the Golden Key Honor Society, Beta Gamma Sigma, and the National Association of Accountants.

As part of her studies at NAU, Elaine studied German in Stuttgart, Germany and received an academic scholarship to attend The Philipps University of Marburg in Germany. She valued her experiences in Germany and enjoyed the opportunity to not only master a foreign language, but also to learn about and to appreciate a different culture.

Elaine was a remarkable combination of kindness, tenacity, fun, beauty, spunk, and determination. She was known for her big heart, her amazing smile, her laugh and her sense of compassion towards all living creatures, especially those less fortunate. Elaine was also known for her creativity and artistic talents which included painting, sculpting and craft work. She faced life head-on, never shrinking from a challenge and was loved by all who knew her.
