

# NAUFLEX

Supporting and Advising our Students

# FRAMING TODAY'S CONVERSATION...

The session will focus on NAUFlex, which is a mode for delivering instruction

The session will also cover a few of the health and safety rules that impact students in the classroom

The session will not address the housing, dining, or campus activity plans for keeping students safe today.

# SESSION OVERVIEW

Defining NAUFlex: Key Terms

# DEFINING NAUFLEX

KEY TERMS, TOOLS,  
AND GUIDELINES

# KEY TERMS AND PHRASES

**Synchronous** – students participate in instructor-led live class sessions

**Asynchronous** – students complete assignments on their own schedule while adhering to course deadlines

**Attend Remotely** – students attend class synchronously using videoconferencing tools, like **Collaborate Ultra** or **Zoom**

**Live Session** – synchronous meeting with some/all of attendees participating remotely using video conferencing tools

**NAUFlex is synchronous with live sessions students can attend both in-person and remotely.**

# KEY TOOLS FOR NAUFLEX

- **Zoom** – An officially NAU-licensed videoconferencing platform available to ALL NAU Staff and Faculty
- **Collaborate Ultra** – BbLearn's built-in videoconferencing platform
- **Microsoft Teams** – An officially NAU-licensed videoconferencing platform that's fully integrated with Microsoft Office
- **GSuite** – includes Google Docs, Hangouts, Sites, etc. (SPA 101-201)

# PANDEMIC SAFETY GUIDELINES FOR CLASSES

- Students are required to wear masks
- Individual faculty will set their own attendance policies
- If a student has an issue with the attendance policy or their assigned attendance group, they should go to the instructor
