FAQs

Course Support

- Assistance in finding online content for your courses
- Integrate research skills into assignments
- Create course guides
 - Direct students to the best resources for successfully completing assignments
 - Instructional elements on how to most effectively use those resources.

For example: <https://libraryguides.nau.edu/PSY302>

Course Reserves

Blackboard

Course Reserve can add digitized material to your BBLearn course page.

- Articles
- Media such as movies and documentaries
- Chapters of books (10% to 15% of an entire book)

Request early. We require 72 hours to process requests.

NAU.edu/Library/Reserves

Instruction

Synchronous

- Via Zoom, Collaborate, Teams (instructor's choice)
- We will customize our instruction to meet your learning objectives
 - Send us your research assignments ahead of time
- Instruction can come in many forms, including:
 - learning exercises that will enable students to find, evaluate, and use information effectively.
 - demonstrations or hands-on instruction of research tools, such as Quick Search, general databases, and subject databases.
 - introductions to research tools in all disciplines and formats.

Instruction

Asynchronous

- Information Literacy Basics tutorial
 - Can be embedded into BBlearn
- Video tutorials
- Embedded Libguides in BBlearn
 - By program (default) or by course (on request)

For more information contact your subject librarian or archivist

Production Studios

One Button Studio

3D Printing & Scanning

Research

Research Consultations:

Online, for students, faculty

Includes: Literature searches, database orientation, citation tool overviews, and more.

Special Collections Unique Materials

- 12 million unique, primary source materials focused on the Colorado Plateau
- 130,000 digitized materials available online

Interlibrary Loan

The BIG story ...

It is taking more time to get materials from other libraries, especially in print.

It is possible it will take weeks -- plan accordingly (Talk to your librarian for alternative materials.)

For your course materials: USE RESERVES

nau.edu/Library/DDS

Cline Library's COVID Response

Please check our COVID page for a full list of temporary changes to library services and physical spaces. nau.edu/library/covid-19

Highlights:

- Masks are required / Use social distancing
- Access to some rooms is limited
- Special Collections & Archives will have limited hours and limited users for Fall '20
- 72 hour quarantine on all physical materials, including physical reserves
