

Effective Teaching Practices

Reinvigorate educators and ensure students experience dynamic and inspired teaching that propels their success with a comprehensive course that, upon completion, earns course-takers a certification in **ACUE's Effective Teaching Practice Framework**, endorsed by the American College on Education (ACE).

Faculty who complete this comprehensive course are proven to boost persistence and completion for students and improve their own confidence in teaching and engagement. This comprehensive course offers a complete set of evidence-based teaching practices that build on existing knowledge and expand instructional skill sets. This comprehensive course contains 4 smaller courses that together take approximately 25 weeks to complete.

Courses

Promoting Active Learning

Creating an Inclusive and Supportive Learning Environment
