## SUMMARY

The Office of Planning and Institutional Research has conducted the Sophomore Survey since 2002. With the 2004 survey administration, students have been asked, "If any member of the NAU faculty or staff has positively influenced your experiences at NAU, please complete the following information." Students are then asked to provide a name, department, and comment.

Out of the 1,235 students that participated in the 2011 Sophomore Survey, 650 students (53%) acknowledged one or more faculty or staff members who have positively influenced their experience at NAU. The table below summarizes the names and departments of the top faculty/staff members who were acknowledged eight or more times.

### MOST ACKNOWLEDGED FACULTY/STAFF 2011 Sophomore Survey

MICHAEL RADER	Psychology
SYLVESTER ALLRED	Biological Sciences
MAUREEN FRAY	College of Engineering, Forestry, and Natural Sciences
SCOTT ANTES	Anthropology
DAVID PIEROTTI	Biological Sciences
MARY SOLOMON	College of Social and Behavioral Sciences
JESSICA VANDEN PLAS	Chemistry and Biochemistry

While most of the compliments were for faculty and academic areas, acknowledgment was also given to other areas such as Extended Campuses, Gateway Student Success Center, Honors Program, Residence Life and Student Life, among others.

The Office of Planning and Institutional Research has been reporting on this student comment question in the last seven surveys. Deserving particular accolade are the nine faculty/staff who have been mentioned by at least one student each year this question has been asked.

## 2011 Sophomore Survey Faculty/Staff Comments

This report lists the comments recorded by students when asked:

*"If any member of the NAU faculty or staff has positively influenced your experience at NAU, please complete the following information."*

Please note that the following comments were edited for spelling only and that if a student provided multiple names with one comment, the student's comment was duplicated for each faculty or staff member.

### COLLEGE OF ARTS & LETTERS (137)

19.3%

#### College of Arts & Letters (2)

**Shannon, Randy (2)**

- *Randy has always encouraged me to keep myself motivated and to never give up. He has made me aware about where I can receive help from and from who. He also gives me information about scholarships and internships. He is always willing to help me when I need help.*
- *encouragement and advise giving*

#### Comparative Cultural Studies (9)

**Donnelly, Paul**

- *Out of all my teachers he has been the most open-minded and well rounded teacher I have encountered. In the three classes I have taken with him, he has always been willing to open the class to the students and make it their own, while still maintaining a learning environment.*

**Jordan, Alyce  
McLerran, Jennifer (3)**

- *She introduced me to the idea of studying abroad.*
- *She has been incredible in helping line up internships and helping me with my minor although she is not my advisor.*
- *Helped me with internships, personal issues (how to deal in class), and helping me with time management*
- *She gave me great resources for internships and job opportunity.*

**Oelschlaeger, Max**

- *Dr. Max is an insightful, caring, creative and engaging teacher. He is able to cut to the heart of subject matter he teaches on and inspires critical thinking in his students. He is by far the best teacher I have had at NAU.*

**Rodin, Krista (2)**

- *were two excellent professors and helpers outside of class*
- *Handled my advising perfectly and also an amazing instructor for HUM 250.*

**Smith (Professor)**

- *wonderful teacher (Religious Studies)*

#### English (34)

**(No last name), David**

- *Truly encouraged me to continue my writing, and made me eager to strive for grad school, and become a poetry professor, rather than a high school English teacher. (English grad student teaching Creative Poetry 371)*

**MANY  
Barron, Nancy**

- *help my study (Writing Center)*
- *Nancy Baron has been helpful through advice and positive reinforcement for work/assignments.*

**Belknap, Jacquelyn (2)**

- *She really made my college experience better though she left the school last year*
- *I believe she transferred to another school:( But Ms. Belknap's class was probably my most difficult class but it was my most challenging because she was a hard grader and paid attention to specifics and details. I still use her advice today when writing papers and I think she has made me a much better writer.*

**Cue, Meleah  
Doolan, Stephen  
Egbert, Jesse (3)**

- *she has helped me not be afraid of my past and that i hope to do more (English)*
- *Helped me decide on a career path (English)*
- *First English teacher/professor who has ever been able to make me appreciate and enjoy writing*
- *He has made learning fun and has helped me improve my writing skills.*
- *He has open my eyes to different aspects of life. He taught me how to work with others and express your opinions. he also got me to talk with my family members building a stronger relationship and helping expand and realize my multiple career options*

**Ferguson, Susan**

- *They have all helped me both inside and outside of class. They are great teachers and people.*

**Huebner, Alison**

- *Helped with resources, becoming involved, knowing opportunities, and needs. She has been much more helpful than any of the advisors. (Freshmen English Learning Community Mentor)*

**Jo, (Ms)  
Kelson, Brandon**

- *improve my listening skill very much (PIE instructor)*
- *He has been an influence to me in my writing skills.*

- Marchesi, Patricia (4)**
- *Helpful and supportive even outside of class, very willing to help students in every way she can*
  - *She makes class interesting and a pleasure to attend. I want to do the work for her class, because it's interesting and fun. She relates it to the here and now.*
  - *They both challenge me in class to be creative, to participate, and to be a better writer.*
  - *She's made two of my classes very enjoyable, and allowed me to do what I needed in order to succeed.*
- Palmer, Jennifer Ray**
- *I learned more in her class than any other class I have taken at college. I felt like I was challenged in her class and she was a difficult teacher but none of the requirements she had were impossible. She was always there to help and give relevant constructive feedback. She pushed me to be better at writing and was always honest. (English)*
- Renner, Karen (6)**
- *She is challenging, holds strict guidelines for success and encourages us to always do better. She has improved my writing more than any professor in my academic career. She is a huge asset to the NAU community.*

Gardner, Jared (6)

- Great advice on future classes, very knowledgeable and compassionate
- Was always available for me even without an appointment - explained what I needed to do thoroughly - When I changed majors, she was very knowledgeable of who I needed to talk to and even helped me understand a little more about the major I was changing to. Very very helpful advisor.
- Awesome adviser who helped tremendously when I switched to a chem major
- helped me with academic advising
- He has always been helpful, gave good advice, encouraging, and understanding.
- He is very helpful, answers any questions I have, and gives great advice.
- Really was helpful when i was changing majors and informative on what i needed to get done before i graduate and how i should efficiently go about it.
- Providing excellent information and opportunities to succeed

Allred, Sylvester (19)

- Best instructor I've had. Fun and interesting.
- He really made it worth it to make it to an 8 am class.
- His enthusiasm and willingness to talk and help out
- He is a great professor!
- He was funny and didn't overcrowd the information he gave us with unnecessary details. I liked that I actually learned without having to always open my book and look over things so many times before they stuck. He is a great teacher! : )
- through learning and teaching
- He was so enthusiastic about the class, made me eager to go to class.
- he is a great teacher and made BIO 182 and enjoyable class
- He had an open door policy and helped me in class during a rough time for me in school transitioning from living at home to college life.
- He made an extremely challenging class that I greatly benefited from. While he taught, he also inspired his students to reach their full potential and he gave a lot of great advice for new college students along with some good advice for being a better person. I thoroughly enjoyed being a part of his class.
- Fantastic person/instructor
- (No additional comment)
- He's an amazing professor and makes his class so interesting and challenges me to learn, and what he teaches he tests on, doesn't expect us to read the book and completely understand it alone. AMAZING professor.
- Is a fantastic professor and made the material interesting and easily comprehensible
- Great Teacher!
- really made biology interesting and exciting and was a very positive experience being in the class
- creative, how they teach, enthusiasm
- great teacher

Ayers, Tina

- Working with the Biology department and the wonderful Teaching Greenhouse! Working with others through Botany Club activities.

Coast, J

Gibb, Alice

Hendrickson, Kerry (4)

- New Ideas and thought
- creative, how they teach, enthusiasm
- Her incorporation of technology in the form of A/V lecture helped me learn a difficult subject matter.
- She did so much for her students and showed us all a new way of learning. She genuinely loved teaching.
- Both Kerry and Aaron have helped me realize how smart I really am. They both have been there through some good and some bad times and yet they still lifted me up and encouraged me to do my very best. Kerry's teaching style also taught me how to fight for my grades and be an overall determined student. Because I have had the opportunity to learn from these individuals, I am happy with what I am trying to do with my life and I am going down a path that I love. I will forever remember Kerry and Aaron.
- Opened my eyes to a completely new way to learn and has helped me achieve grades in classes I never thought possible.

Holloway, Richard (2)

- his teaching strategies made me enjoy my major even more
- he was the teacher who inspired me to be a bio major best professor i have had he really cared about his students

Lane, Teresa (2)

- Very informative and helpful
- She has helped me understand how NAU works and how to succeed in this environment.

Lindstedt, Stan

Mattso, Joseph

- He saw my needs in class and helped me succeed in my own way
- He was very positive in his teachings and was over all a wonderful person. (Biology-Anatomy and Physiology Lab Instructor)

- *yes*

**Nishikawa, Kiisa  
Pierotti, David (8)**

- *She was patient and understanding when I needed help.*
- *(No additional comment)*
- *Great teacher/ enthusiastic*
- *Always there for help, you can tell he really wants his students to succeed*
- *Helped me maintain a positive attitude and has challenged me in my studies while always being there to help.*
- *He has made class more interesting and cares about his students' success in his class.*
- *Dr. Pierotti has been the best professor I have had at NAU. I have learned so much from his classes and his lectures are always stimulating and entertaining. He is always available if I need additional help and he is always willing to answer any question that I have.*
- *He makes the subject really interesting and I truly have a new passion for anatomy after taking his 202 course*
- *Offers additional office hours, more than willing to take time out of his day to help you understand the material and make sure you succeed. The main reason I decided to keep my education going at NAU and not elsewhere.*

**Pollak, Peggy (4)**

- *She really got me to enjoy the study of biology. Before her class, I was absolutely clueless about biology. I received an easy A in that class due to Dr. Pollok's teaching.*
- *Talked to me about other opportunities to get into here at NAU*
- *she's just awesome!*
- *Made class fun, offered lots of opportunities to ask questions*

- Robinson, Marin**
- Being passionate about what they are teaching excited me and other students about that material and encouraged learning
- Vanden Plas, Jessica (8)**
- creative, how they teach, enthusiasm
  - She helped me my freshman year because I didn't understand my teacher even though I was not one of her students. I have her now for CHM 152 and she is the best teacher I have had since I have been at NAU.
  - She inspired me to want to major in chemistry because she is so friendly and teaches so well.
  - She makes the class incredibly fun and easy to understand
  - She made chemistry fun and easy to learn
  - Awesome teacher! Very organized, best teacher at presenting material, cares a lot about her student's success
  - She is very patient and explained over and over problems that I have had with Chemistry. She doesn't get mad when you don't understand what she is talking about and tries to approach the problem differently. Using everyday examples is also helpful when she explains harder points in Chemistry. I had her last year and she is still the Teacher that has impacted my experience. If I had more teacher like her I would enjoy going to classes that are hard. Example: Organic Chemistry
  - she set me off right on my degree and restored my love for chemistry
  - A great teacher, and genuinely cares about his students and wants them to succeed.
  - Always supportive, encouraging, and more than willing to help.

- By being a great advisor and putting me on the right path to graduate on time. Also, She is very patient in helping students understand their degree progression programs and works efficiently to answer all questions.

Pavich, Matthew (2)

- Better understand degree progression plan
- I was very confused on an academic plan when I transferred here and he set up a very clear graduation plan for me, it was extremely helpful.

Solomon, Mary (8)

- Reliable, Realistic, and Responsible advising since before I transferred to NAU
- Ms. Solomon has impacted my experience positively in numerous ways from academic advising to helping me plan my future for grad school and a career and giving me great perspective.
- she has been very instrumental in my decision making for long term aspects.
- She was more than helpful in transitioning/advising me when I changed my major to Psychology and is someone that I know would help me as much as she could whenever I needed academic help.
- Helped me with future goals with an amazing attitude
- She was very nice and made me feel comfortable in the class we chose together.
- Full of good information, she is actually interested in me as a person and not as a number
- She was very encouraging and helped me explore potential minors to complement my career goals.
- Mary has helped me understand more about my career goals and helped me succeed in classes i have already taken.

Spence, Lynn

- Helped me to understand the classes I need to take to fulfill my major.

### Anthropology (18)
