SUMMARY

The Office of Planning and Institutional Research has conducted the Sophomore Survey since 2002. With the 2004 survey administration, students have been asked, *"If any member of the NAU faculty or staff has positively influenced your experiences at NAU, please complete the following information."* Students are then asked to provide a name, department, and comment.

Out of the 984 students that participated in the 2013 Sophomore Survey, 503 students (51%) acknowledged one or more faculty or staff members who have positively influenced their experience at NAU. The table below summarizes the names and departments of the top faculty/staff members who were acknowledged six or more times.

MOST ACKNOWLEDGED FACULTY/STAFF 2013 Sophomore Survey

DAVID PIEROTTI (19)	Biological Sciences
ROBERT KELLAR (9)	Biological Sciences
BROOKE DE HEER (7)	Criminology & Criminal Justice
GRETCHEN GEE (6)	Politics & International Affairs
KRISTINA JACOBSEN (6)	Anthropology
ELLIE KENNEDY (6)	Mathematics & Statistics
JAMES MANLEY (6)	COE: Teaching and Learning
THERESE MYERS (6)	Chemistry & Biochemistry

While most of the compliments were for faculty and academic areas, acknowledgment was also given to other areas such as Educational Support, Extended Campuses, Honors Program, and Housing & Residence Life among others areas.

The Office of Planning and Institutional Research has been reporting on this student comment question in the last nine surveys. Deserving particular accolade are the six faculty/staff that have been mentioned by at least one student each year this question has been asked.

2013 Sophomore Survey Faculty/Staff Comments

This report lists the comments recorded by students when asked:

"If any member of the NAU faculty or staff has positively influenced your experience at NAU, please complete the following information."

Please note that the following comments were edited for spelling only and that if a student provided multiple names with one comment, the student's comment was duplicated for each faculty or staff member.

COLLEGE OF ARTS & LETTERS (115)

College of Arts & Letters (1)

- Shannon, Randy**
- *Mr. Shannon has always answered my email or has been able to see me on a short notice. He helped me so much with my selection of classes and I have nothing but good things to say about him. He is a terrific advisor and a wonderful human being.*

Comparative Cultural Studies (11)

- Bissonette, Devan**
- *Helped me improve my critical thinking skills.*
- Burkhart, Matthew**
- *Mr. Burkhart is always available if you need help with anything and understanding when it comes to scheduling. His class, HUM101, has helped me view the world differently and even made me consider changing my minor to humanities.*
- Carpino, Alexandra**
- *I finally received the advising I needed.*
- Davis, Jayme**
- *Support and lots of feedback even when taking tests so I know what I have missed. I am a decent writer and she helps me understand how to be better. I am not very good at technology and my last class (CCS 490C) had areas in technology that I just did not understand. As a reentry student I have not been exposed to some of the areas technology is required and Professor Davis was not only patient and supportive, but took time to help me. This helped my confidence and my work.*
- Devereaux, Constance**
- *All of them are extremely intelligent and patient. They all deeply care about the students and they truly do want them to succeed. They have tended to be much more valuable in advising a student than the advisors are.*
- Gervasio, Danielle**
- *She is so positive and wonderful, her classes are exciting and she provided guidance when my academic advisor wouldn't return my e-mails or calls.*
- Hinsley, Curtis**
- *Made teaching a personal experience, got me interested in materials I never thought related to me.*
- Jones, Paul**
- *By personally encouraging me to excel.*
- Jordan, Alyce**
- *She was very supported and I could tell that she cared about my success individually, even though there were other students and I wasn't going into a field related to her topic.*
- McLerran, Jennifer**
- *I am an HRM major and I took her class as an elective and she was just such an amazing teacher. Truly has a passion for art.*
- Mohamed, Mosaad Abdelaziz**
- *Incredibly engaging professor, fun class!*

English (30)

- Caliendo, Scott**
- *Gave me a better outlook on how to become a better writer.*
- Cawthon, Kimberly**
- *She was just always helpful and allowed me to explore areas that were interesting to me.*
- Davalos, Emily (2)**
- *Writing skills.*
 - *She is a sweet and encouraging person who helps you think about your potential.*
- Egbert, Jesse**
- *He was the kindest, most understanding and best all around teacher I've ever had. He focused on each individual student and helped all of us grow.*
- Fan, Min**
- *Improved my writing skills, and boosted my confidence in my writing.*
- Farness, Jayme**
- *Amazing guy.*
- Flynn, Janis**
- *Made it very rich experience.*
- Gann, Randall**
- *Dr. Gann encourages me to think outside my usual opinions, opening up a new world of film and literature.*

- Kelone, Brandon (3)**
- *Best teacher, awesome personality, very approachable. Deserves a raise!*
 - *He is an amazing source of information and brings a positive attitude to everything he does. He has taught myself and many others to be proud in yourself and your work and along the way makes it an amazing time.*
 - *He really helped me to grow with my writing abilities. Additionally, his classroom was a safe environment where I felt comfortable sharing my ideas.*
- Koshnick, Damian**
Marchesi, Patricia (2)
- *Great instructor, broke down every writing assignment in detail.*
 - *They both created challenging environments and motivated me to work hard.*
 - *(No additional comment)*
- McClendon, Benjamin**
Moran, Meghan
- *Taught me how to think critically and greatly helped me improve my writing.*
 - *She improved my writing greatly and was extremely supportive and helpful in various aspects of college life. She is the best!!!*
- Renner, Karen (5)**
- *They both created challenging environments and motivated me to work hard.*
 - *Taught me the most new information of all my teachers in both analyzing literature and writing effectively.*
 - *Inspired me to keep studying hard and fall in love with why I do.*
 - *Dr. Renner is extremely helpful and challenges me to be a better writer with every piece of homework I turn in. I've taken three classes with her, including a capstone, and her instruction is nothing short of fantastic.*
 - *Dr. Renner is an excellent instructor who truly cares for her students and for the material she teaches. I cannot recommend her highly enough.*
- Rosche, Laura**
- *She showed me that in order to succeed, you must ask for help when you really need it. She worked outside the class room to assist me with problems I was having on English assignments.*
- Rude, Rene**
- *Her positive attitude and energy in the class make me want to come and learn from her.*
- Scott, Anne (4)**
- *A great resource and really helped with my writing.*
 - *She was a crucial part in my remaining in the honors program, and has helped me grow and have more opportunities here at NAU and in the Honors Program.*
 - *Dr. Scott provided helpful, insightful feedback based on our individual performances, which made it very easy to improve specific areas of our writing. Class was always fun and the environment was one that fostered individual and*
 - *She taught me so much about writing effectively. I was amazed at how little I knew before I took her class.*
- Snyder, Sarah**
Venetiou, Liz
- *Helped through educational and personal difficulties.*
 - *She cares, a lot.*

Global Languages & Cultures (14)

- Bauge, Nicole**
Chipatechua, Yvonne Marcela
Colmenares, Jersus
Okubo, Chie
Suby, Juliana (4)
- *Incredible patience and insight into the wonderful world of language.*
 - *Her positive energy and commitment to her class.*
 - *Encourage, enthusiastic.*
 - *She is an amazing teacher and genuinely cares about how well her students are*
 - *Juliana is always eager to help her students in any way she can. Her positive attitude had created the best learning environment I've had at NAU and she has inspired me beyond the classroom.*
 - *She has been a fantastic instructor and kept me interested in the subject. She keeps things relaxed without feeling like I'm not doing work.*
 - *(No additional comment)*
 - *A very talented teacher.*
- Tieke, Benning (3)**
- *He's one of the fairest teachers I've had. He understands his students and is a fantastic teacher. He makes me want to come to class and makes learning easier.*
 - *He has positively impacted my life by being a fantastic professor who appreciates and loves his job.*
 - *He genuinely cares about his students and loves teaching Spanish and celebrating cultures.*

Wargo, Christopher (3)

- *He is a great instructor and makes class interesting. He is also easy to talk to and get help from and it is evident that he really loves the subject and instructing it.*
- *Very good teacher, understanding, and funny.*
- *He is genuinely interested in Spanish as well as student progress. He is an awesome guy.*

History (8)

**Carr Childers, Leisl
Kalb, Martin**

- *She is an amazing professor.*
- *Stephen and Martin are my favorite teachers in each of these departments they have completely opened my eyes and changed my view of the world regarding politics History and especially my critical thinking skills. I am EXTREMELY thankful for each of these individuals, who have all significantly impacted my life in a positive*

Kashanipour, Ryan (2)

- *He encourages his students to think on a worldview and how material applies to the contemporary.*

Leung, John

- *He made history interesting and is very helpful, overall a great and dynamic*
- *His class was insanely work intensive and not part of my major, but I learned a lot and am thankful for that. He is an excellent professor, especially for people with a history major.*

Martel, Heather

- *Dr. Martel has challenged my way of thinking and truly urged me to use the full capacity of my mind. She has taught me not only how to recognize cultural and systemic constructions, but also how to become an activist in our modern world. I basically want to grow up to be Dr. Martel, she has been extremely influential to*

**Sargent Wood, Linda
Varela-Lago, Ana**

- *(No additional comment)*
- *Passionate, caring for her students, makes learning fun and interesting.*

Philosophy (17)

**Arel, Joseph
Bredlau, Susan**

- *All the teachers are really cool too.*
- *Both professors have believed in my abilities and gave me the confidence to continue a strong and beneficial education. I appreciate their passion for teaching my generation and their positive souls.*

**Buben, Adam
Joiner, James (5)**

- *He helped me think for myself, and consider every potential aspect of thought.*
- *He was an excellent teacher who changed my opinion about the subject of the class in a positive way.*
- *James was a great mentor and always willing to help with class concepts as well as hear about my personal experiences. Even though I had his class first semester of my freshman year, he will go out of his way to say hello and talk to me if he sees*
- *The primary teacher who promotes critical and dynamic thinking in every facet.*
- *His PHI 150 class was taught in such a fun way that I learned so much more in his class versus others.*
- *His class made me ask myself questions I normally never would and made me think critically. I really enjoyed his course.*

Sullivan, Nancy

- *Nancy is an outstanding music educator as well as a beautiful person. She is always there for her students and gives one hundred percent of her efforts into creating successful musicians and more rounded people in her students.*

Vining, David

- *He's a supportive professor who is always willing to help out his students. He is fair, and has a strong set of Ethics that others in this department lack.*

Theatre Department (3)

Alexander, Benjamin

- *He's very encouraging to the students to learn more and think more about lighting and sound. He doesn't make the class seem like a boring lecture, he tells us about other ways we can apply what we've learned in class to other studies, and he's inspired me to think critically about these subjects, and I'm not even a theatre major/minor. He's helped more than anyone in the EMF department ever has and I hope I can take another one of his classes soon.*

Ellis, Cathryn

- *She has helped me find my strengths and weaknesses, and continues to help me do what I am good at.*

Ellison, Season

- *She has allowed me to explore my creative side. The atmosphere she creates in class is one of free dialogue and honesty. She encourages her students to take risky chances. She explains things in class clearly and effectively. Her advice is helpful. She is easy to talk to.*

THE W.A. FRANKE COLLEGE OF BUSINESS (52)

School of Hotel & Restaurant Management (8)

Carlson, Donald

- *Helped to understand important parts of class and makes an effort to help each and every student.*

Krahn, Kathleen

- *Kathleen is a great resource and is helpful. She has written a recommendation for a job and then followed up with me about it. In the classroom, she brings her outside experience in which helps us understand what things we may be doing in the industry. She is fantastic and I know I can go to her for anything.*

Mann, Darwin (5)

- *Advice and working one toward career goals.*
- *He is a great lecturer, honest with a lot of experience, who is always willing to help when there is a problem or you just want to talk.*
- *(No additional comment)*
- *He's just a great guy and very open to everything and everyone, really a great teacher.*
- *He made me love HRM even more and he actually makes his students read and learn. If they don't he doesn't reach the class. Makes his class use his head.*

Vallen, Gary

- *Dr. Vallen went above and beyond in working to accommodate me in the midst of a personal issue. He managed to turn my very bleak outlook on the path my academics was about to take, and make it one of productivity and passion. I would like to acknowledge Dr. Vallen for his commitment to his students, his passion for teaching, and his approachable demeanor and incredible compassion. Thank you Dr. Vallen for all that you do, I have enjoyed learning from you immensely.*

The W.A. Franke College of Business (44)

Amer, Beverly (5)

- *She has encouraged me to join Alpha Beta Si, to stay in contact with her, and to help me reach my academic goals. She's a positive professor who encourages her students to reach their goals, and to not be afraid of getting help when you need it.*
- *I failed the CIS 120 course with another professor and I accidentally went to her class the first week, so when I decided to retake it, I knew that I had to get her to be my professor. It was one of the best decisions of my life. Professor Amer not only made the material fun to learn but she inspired me to do my best. If she ran for president, I'd vote for her.*
- *Taught me so many skills that I will use outside of the classroom.*
- *Professor Amer was one of my first professors. She made me feel very welcome at NAU, and still does to this day.*

- *She is always available and ready to help, and she has encouraged me to become more involved in my major.*
- Amer, TS**
- *I have learned more in his class than any other.*
- Canning, Emma**
- *Emma is always thinking about what needs best suit her students in where they are at in their college career. I have had some business teachers who seem not to care about the students' academic success.*
- Devlin, John (3)**
- *Actually seemed interested, wasn't just some whiny sanctimonious liberal or some grad student.*
 - *All of them are extremely intelligent and patient. They all deeply care about the students and they truly do want them to succeed. They have tended to be much more valuable in advising a student than the advisors are.*
 - *(No additional comment)*
- Diehl, Sandy**
- Diemer, Dan**
- *(No additional comment)*
 - *These guys have helped me figure out what I really want to do with my life simply by teaching me small things everyday. I could not be more grateful for everything they have helped me learn not only about life, but about myself. If not for them, I think I would have dropped out of school now and be wandering around like a*
- Driessen-Knittle, Pia**
- *When I decided to change my major, Pia put to rest all of my worries and relieved my stress by a great deal. I don't know what I would do without her, she's*
- Dunfee, Margaret (5)**
- *She treats students like people and not children.*
 - *I took her management 101 class and she was a great professor. She made sure her class wasn't the easiest but also made sure we used all the resources we could to get everything done. She also made all her lectures were clearly spoken so everything was understood. Then occasionally, we would have fun lectures about things that were going on around the world. Most of all, I really like that with all that we had to do in her class, she made sure that everyone was prepared for the*
 - *She was a great professor my freshman year that helped established what I want to do with my degree. Still to this day I am able to walk into her office and ask her any question and she will help me. She gives great advice and is a very positive person. She's awesome!*
 - *They all taught lectures and test off material in the lectures. What a concept right?*
 - *Helped guide me through the scholarship process.*
- Eastwood, John**
- *Helpful and knows answers to just about all of my questions. Also, very detailed and relevant lectures.*
- Godley, David**
- *He was a very good teacher. Always answered questions promptly and had a very well laid out course.*
- Hall, Kristin (2)**
- *Awesome teacher that was always helpful and taught her material very clear and well. Also kind and easy to pay attention to.*
 - *She's awesome!!*
- Hewes, Lisa (3)**
- *They're both wonderful professors who really care about their students.*
 - *Very helpful, great instructor and truly cared about the students.*
 - *(No additional comment)*
- Hoefle, Scott**
- *He has introduced me to many interesting professionals in the business environment that give me advice and possibly change my views about different ways to go about being a leader.*
- Holland, Jared**
- *Both are excellent teachers who care about the students and have great teaching skills.*
- Lewis, Bernadine**
- *She is my advisor, she always gets me super excited for the next semester. Always helps me understand enrollment and is there when I need her. She deeply cares for my academics and I know she genuinely cares for every student she helps.*
- Mueller, Julie**
- Navarro, Shirley**
- *She is an absolutely amazing professor. I love her class and her teaching methods.*
 - *She is always available for help and truly strives to help her students understand material.*
- Ott, Willard**
- *Both of these professors have helped me academically and personally. They are a main reason I stayed at NAU.*
- Shinham, Kathe (3)**
- *Encourages students to succeed and challenges students in class.*

- *She has been an inspiring role model as I pursue my career path into becoming an accountant. She offers great advice and encouragement, and most importantly, she continues to assist me in my endeavors, even though I am not currently her student. I would give her a strong recommendation.*
 - *She is a great instructor and I prefer her ways of teaching to be more beneficial to me than all of the other i have learned in the past 3 semesters that i have been here.*
 - *I was going to transfer because of my health, but she has offered me many ways of how I could still attend NAU, and now i am staying because of her.*
- Shipley, Jessica**
- *Best organized class I've taken. It was in this class that I realized that I'm actually*
 - *Such a positive lady and really knows her material.*
 - *Helped me decide on what to study and what career path to follow.*
 - *Helped me inside and outside of the classroom.*
 - *Both of these professors have helped me academically and personally. They are a main reason I stayed at NAU.*
- Staskey, Jennifer (3)**
- Swartz, Wendy (2)**
- *These guys have helped me figure out what I really want to do with my life simply by teaching me small things everyday. I could not be more grateful for everything they have helped me learn not only about life, but about myself. If not for them, I think I would have dropped out of school now and be wandering around like a*
- Wagner, Paul**
- *Great instructor.*
 - *(No additional comment)*
- Yordy, Eric (2)**
- *Encouraged me to do my best not only in her class but also in my other classes and in life in general. She told me to never give up on my dreams and it meant a lot coming from someone who works everyday to better herself whether its through her family, her career, or her outlook on life.*
- Zhao, Xiaobing**

- *She's easy to talk to, very approachable, guiding, provides all sorts of useful information!*

Entine, Pauline

- *Amazing professor who has gone above and beyond what her job description is.*

Fray, Maureen

- *Choosing class.*

ShIPLEY, Danielle

- *(No additional comment)*

Biological Sciences (52)**Adams, Alison**

- *Takes time to provide help and explanation in class and outside of class. Has also provided insightful career advice.*

Allred, Sylvester

- *Enriched my educational process through his enthusiasm and general love of the subject.*

Clark, Theresa Ann

- *The lecture was unique in the way it had fewer students along with the course work gave me the ability to understand what was being taught and go to the teacher directly if i had any questions. This class had me change how I viewed material that doesn't necessarily relate to my major but I can still use to improve my study skills and increase my knowledge.*

Cobb, Neil

- *Mentor.*

Dennis, Patricia
Hayer, Michaela
Kellar, Robert (9)

- *You could tell she wanted to help us succeed which made me try harder in class.*
- *(No additional comment)*
- *Excellent teacher.*
- *All wonderful professors; very understanding; they made learning fun and comprehensive!*
- *He is very passionate about what he does and he brings this to his class.*
- *Very motivating, great teacher.*
- *By far the best professor I've had, he is helpful and understanding of his students. He is engaging and a great lecturer, making class more enjoyable.*
- *Helped me through BIO 201 when it was challenging making me realize I could accomplish my goals.*
- *He actually cares unlike most of my teachers.*
- *Best teacher I ever had, he was so passionate and he made the class completely amazing.*
- *Show me what it's like to have a professor who can take a difficult concept and relate it to the students in relative terms to their education level.*

Lindstedt, Stan (2)

- *Completely shaped and introduced me to a new way of thinking and has got me thinking of a new career path choice with physiology and research and testing!*
- *Effective teaching of BIO 202.*

Monks, Jennifer

- *She helped me get through the speed bumps of moving away from home for the first time. Also helping me progress with my major and minor degree plan.*

Monroy, Fernando (2)

- *He has helped me strive to work as hard as I can.*
- *He is giving me invaluable experience for a research opportunity.*

Montgomery, Wilson
Nieto, Nathan

- *Wonderful professor, intensified my interests for the marine sciences immensely.*
- *All wonderful professors; very understanding; they made learning fun and comprehensive!*

Pierotti, David (19)

- *Always ready to tutor, makes subject interesting. Best teacher I've had at NAU.*
- *He helped me through anatomy 202 a lot!*
- *These three are always so enthusiastic about the material, they love what they do, and they genuinely care about their students. They made me look forward to being in class.*
- *He has made anatomy 202 a fun, challenging, and enriching experience.*
- *Amazing teacher that has developed my base of learning of physiology.*
- *He is a great professor who is always willing to take the time to help his students.*
- *Taught me how to effectively learn on my own and engaged the classroom.*
- *Always having positive things to say and made you learn and if you needed any help he was always there.*
- *Made it enjoyable and challenging, showed me if I push myself I can do great.*
- *By making leaning anatomy and physiology fun. He was very energetic and made class enjoyable.*
- *Works one on one cares what the students think.*
- *Being an interactive teacher willing to change to better his students' education.*
- *Aaron and Dr. Pierotti have made my experience at NAU an excellent one. Both are very excited and very knowledgeable about Anatomy and Physiology and greatly enhanced my understanding of these subjects.*
- *Very excited about the material, makes students excited to learn.*
- *Challenged me in a positive way. Has made learning the material very fun and interesting!*
- *His integrity and passion in the classroom makes me want to continue my degree. He makes his students excited to continue their degree in the medical field. Best professor I've ever had, hands down.*
- *He made class interesting & he cares about the students and teaching them biology.*
- *He makes learning fun, he's entertaining and sincerely concerned with a students well being. he also takes the time to you get to know everyone personally.*

- *Both Dr. Perotti and Aaron have made anatomy and physiology far easier to understand. The manner in which they present the information allows me to connect each individual aspect of learning to the bigger picture. The lecture and lab are engaging, and Dr. P and Aaron are effective at making sure students understand the topic. Being an EXS major, it is essential that I thoroughly understand not only anatomy and physiology, but also WHY the body moves as it does, and how each aspect of what we learn in BIO 201 is relevant to my future career. Dr. P and Aaron have made accomplishing this task much easier for me. In addition, the positive atmosphere that they create makes learning fun, and I would highly recommend both of these teachers to incoming students.*
- Pollak, Peggy (3)**
- *Given me a positive outlook on schooling so far.*
 - *Pollak included everyone in the classroom and made biology an interesting topic.*
 - *(No additional comment)*
- Ray, Casey**
Somners, Stephan
Stoltenberg, Cassie
- *Maintained positive attitude throughout the course, encouraged learning.*
 - *(No additional comment)*
 - *If it wasn't for Cassie, I would have not passed my Biology 181 class. I currently have an A and it is not because of my professor. She goes into depth during her SI session and explains topics simply. She is a great SI and I'm so thankful she was able to help me as much as she did.*
- Tabor, Aaron (4)**
- *Aaron is very committed and excited about what he teaches.*
 - *These three are always so enthusiastic about the material, they love what they do, and they genuinely care about their students. They made me look forward to being in class.*

- *Positive and effective teaching style, and always makes time to meet outside of class when need be.*
- Blad, Marti (2)**
- *She got me really interested in Environmental Engineering. Made learning everything relatable and fun. I really enjoyed her class. I'm very upset she left.*
 - *Best teacher by far.*
- Decker, Rand (3)**
- *With starting my engineering degree, I couldn't have asked for a better teacher for my first intro class. He has intelligence, passion, and understanding that is very contagious, and makes me excited for my future with the degree.*
 - *He's an awesome guy, entertained me.*
 - *An excellent instructor who showed passion for what he did, and cared for the success of his students was refreshing and actually caused me to try harder and be more proactive in my studies.*
- Reiboldt, Alarick**
- Tingerthal, John (2)**
- *Great attitude and supportive.*
 - *Very clear teaching method. actively tries to get me more involved with the*
 - *Professor Tingerthal has encouraged myself and many others to do well in classes and outside of the classroom. He is always willing to help other students out to understand material.*
- Tuchscherer, Robin (2)**
- *Great in class lectures, tests were constructive.*
 - *He is a great and enthusiastic professor. All the questions in this questionnaire apply to him and he excels in all of them.*

- Daugherty, Robert (2)**
- *Very warm, takes time to explain difficult concepts.*
 - *All wonderful professors; very understanding; they made learning fun and comprehensive!*
- de Ri, Eric**
- *Always available and shows a strong interest in my personal success.*
- Edgerton, Stephanie (3)**
- *She's really approachable and just all around awesome. I love her class and she has actually made me want to maybe teach junior high math!*
 - *She was an excellent math teacher and really encouraged us to think and gave us time to think rather than just expecting us to know answers and making students who do not answer as quickly feel unintelligent, which is usually the effect when teachers expect an immediate response. Very sad I didn't have her this semester!*
 - *She makes the subject interesting and enjoyable.*
- Ernst, Dana (3)**
- *They helped engage the class in the lectures in the mathematics and physics departments. All the teachers are really cool too. I love the mathematics department the most, who knew math could be made fun? But they have made it fun.*
 - *He uses inquiry based learning which has gotten me to learn actively when a rarely have before.*
 - *There are both encouraging and aren't afraid to teach differently from traditional methods.*
- Fahy, Matthew (2)**
- *There are both encouraging and aren't afraid to teach differently from traditional methods.*
 - *They helped engage the class in the lectures in the mathematics and physics departments. All the teachers are really cool too. I love the mathematics department the most, who knew math could be made fun? But they have made it fun.*
- Hayden, Kevin**
- *Kevin was always available to talk about whatever it was that I wanted to talk about, whether that was academics, or things going on in life. he was that most easily approachable teacher.*
- Kennedy, Ellie (6)**
- *Encouraged outside of the box thinking.*
 - *She is the best math teacher NAU has to offer and has helped me overcome most of my difficulties with math.*
 - *Kennedy worked with me and showed a coherent way a thinking and made me enjoy calculus.*
 - *Ellie really enjoys learning about her students, their goals, and their potential. Ellie has given me, and other students, the confidence and guidance in Calculus II in order to feel excited about double majoring (or minoring) in mathematics. Ellie is very invested in her students' education.*
 - *She has great attitude - helped me tremendously in surviving Calc classes.*
 - *They helped engage the class in the lectures in the mathematics and physics departments. All the teachers are really cool too. I love the mathematics department the most, who knew math could be made fun? But they have made it fun.*
