

Enrollment Guide: Progression Plan (Step 1)

Step 1: Find the courses you need using your major's progression plan. This is what your major's department recommends you take each semester to stay on track for graduation.

Step 1.1: Visit nau.edu/progressionplans

Once this page opens, scroll down to find your catalog year.

Step 1.2: Using "CTRL + F" search for your major's progression plan.

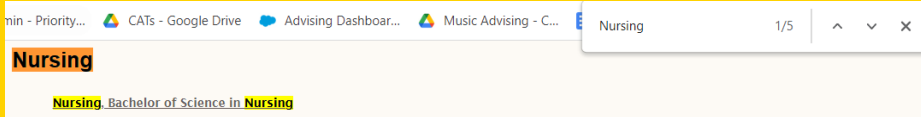

Step 1.3: Once your progression plan opens, click "Print PDF" in the top right corner.

Step 1.4: Once the PDF opens, look at "Year 1+ Year 2" to determine which courses you have taken and which are remaining. Write the remaining courses on Step 1 of the Enrollment Worksheet.

30 units are recommended each year to keep on track for a 4-year graduation! Talk to your advisor about winter/summer terms to catch up!

Review these undergraduate plan samples, according to the academic year you started at the university:
