Funding Requirements

The Green Fund distributes funding on a reimbursement basis. Project Teams must partner with an administrative office to provide upfront funding for the project. Once the project has met its agreed upon deliverables, the administrative partner will be reimbursed by the Green Fund.

1. Original Application

[LOS Electric Gators Matthew Espino \(1-30-2026\) Project Application](#)

2. Summary of additional resources requested

- \$652.36 is needed to cover the cost of the LOS Electric Gator

Complete Project total: \$23,254.32

Approved Green Fund grant (Spring 2026): \$22,601.96

Addendum overage request: \$652.36

Total requested funding: \$652.36

3. Justification for the need of additional resources

- The total purchase of the gator was \$23,254.32 and the project was approved for \$22,601.96. Changes in material cost & handling caused the total price to slightly increase. Thank you for taking time to help use with this issue.

4. Updated budget

- N/A Our speedchart was already charged the amount of \$23,254.32, it won't be an issue if this is not passed.

5. Updated project timeline

- Electric gator has been delivered to LOS. We've had it in our possession since 7/26.

Approval of the addendum will allow the reimbursement to be completed in its entirety.
