DIVISION 12 - FURNISHINGS

Section Number	Title
12100	ARTWORK Buildings with an estimated construction cost in excess of one million dollars shall have a 1% contingency for the purchase of public artwork. The Campus Improvement and Beautification Commission (CIBC) has jurisdiction over all artwork specification and works directly with user group representatives during the selection process.
12500	WINDOW TREATMENT Window treatment is dictated by user preference and shall be determined, if applicable, during Design Development review meetings.
12600 12620	FURNITURE AND ACCESSORIES Furniture Furniture selection is dictated by user preference and shall be determined, if applicable, during Design Development review meetings. Quantities of quality furnishings are often available through NAU's surplus property department and this resource should be investigated prior to specifying new furnishings.
12700 12750	MULTIPLE SEATING Multiple-Use Fixed Seating Multiple use seating types shall be dictated by user preference and shall be determined, if applicable, during Design Development review meetings.
