Suspicious Activity

On the night of September 30th, 2020 an unidentified subject with two friends approached an open dorm room, stood in the doorway in Allen Hall and claimed to be the new Resident Assistant (RA). The residents of the room knew this information to be false and asked him his name. He did not answer them at the time and he went into another open dorm room to research the name of the new RA. He returned and provided the name of the new RA. The residents asked him and his two friends to leave and shut the door on them. A short time later the group returned, covered the peep hole on the door and continued to knock on the door after being asked to leave. Eventually the group left the area. The subject's intent by claiming to be an RA is unknown at this time. The main subject was described as skinny and possibly Hispanic with no facial hair.

If you have any information regarding this incident, reach out to residence hall staff, contact Brad Mihalik at the NAU Police Department or call Silent Witness.

Remember: we don't need your name, but we do need your information. You could receive a **cash reward** if the information leads to an arrest!
