2020

1. There is minimal potential for conflicts in some time slots where multiple class meeting times are scheduled for finals. If a conflict is identified, please read below.
2. The following paragraph clarifies **how to verify there are no final exam conflicts** in classrooms when scheduling finals as shown above.
  - Each academic unit should work with the appropriate building manager(s) to post a template list of final-exam meeting times on the door of each classroom, **two weeks prior** to the start of finals week. The template will be available on the Schedule of Classes webpage in November, [Final Exam Template for Posting on Classroom Doors](#).
  - Instructors should list the class whose final exam is scheduled to be offered in the room and also input their name in the designated time slot. If conflicts are identified, academic units should contact Schedule of Classes promptly, so alternative locations and/or times can be arranged *well before* finals begin.
3. The following paragraph clarifies **how to schedule exam times for classes that are not included on the Spring 2020 Final Exam Schedule**
  - If class meeting times do not fit within the standard meeting times and the published final examination schedule, the instructor will need to evaluate the schedule and determine which examination time will prevent or reduce conflicts for students. The instructor must then poll the class to find out whether there is an actual conflict. If insurmountable problems are encountered, the instructor must contact the department Chair or, if necessary, the Dean. As addressed above, Schedule of Classes should also be contacted to provide assistance, [Registrar.ScheduleofClasses@nau.edu](mailto:Registrar.ScheduleofClasses@nau.edu).
4. **In addition**, since no finals are scheduled on Friday, instructors should poll single-night 5:30 to 10:00 pm Friday classes to determine a suitable option. Also, contact Schedule of Classes for assistance.
