FLGMT M8A and M8B sessions do not exist as 8-week after Fall 2020/Spring 2021. Even though an ERS report will state the session is M8A and M8B – they are 7.5-week sessions. In class search, they will populate as 7.5-week sessions—and that is what students will see. In Schedule of Classes and internal reports, the sessions populate as 8-week sessions, but on the Basic Data page of SoC, the long description reads 7.5-week. Similarly, S8A and S8B are 7.5 week.
