## SITUATIONS THAT DO NOT MERIT AN EXCEPTION TO POLICY

The institution expects students to accept responsibility for their academic performance unless there have been severe extenuating circumstances as described above. The following circumstances are some examples of what **will not** be considered for petitions:

- Financial issue (Students are responsible for securing payments and following up on their financial aid to ensure it will disburse on time)
- Academic difficulty (failing grades and/or desire to clean-up academic record) without extenuating circumstances described above.
- Change in major or career goals
- Overcommitted (i.e. course load, student activities, employment) without additional circumstances beyond student's control
