

GRADUATE COURSE REPEAT ENROLLMENT FORM

Graduate students wishing to repeat a course that is not intended for repeat per the NAU catalog, must use this form to obtain approval from their advisor to repeat the course.

Courses repeated under the regular grading scale **do not** replace the grade for the prior course, and both grades are used in the computation of the cumulative grade point average (GPA).

Courses repeated under the P/F grading scale **do** replace the grade for the prior course, and only the repeated course grade will be used in the computation of the cumulative GPA.

Units earned for repeated courses may only be used once to fulfill graduation requirements.
