Instructions for completing the Undergraduate Major/Minor/Certificate Changes Form

Students, use this form to update your **major/minor/certificate/emphasis**:

To review a listing of majors/minors/certificates please refer to the on-line catalog at: <http://catalog.nau.edu/>. To review your current information please refer to your Academic Advisement Report, go to LOUIE, Home>Student Center>other academic>Academic Requirements. If you would like to discuss your options, contact an academic advisor at the college of your major/minor/certificate (see below).

Once you complete the student section of the form you **must** turn the form into the department/college of the new major(s), minor(s), certificate(s), and/or emphasis(es)

Please be aware that changes to your major may have an effect on your status in certain University programs including but not limited to: Athletics, International Students, Honors, WUE, etc.

Department/College, this form should be reviewed to ensure the student's request is accurate:

If the student is pursuing a dual major, both majors must have the same catalog year. If the student is pursuing a dual degree, they can be from two different catalog years. Plan and Subplan Codes by Catalog year can be viewed at: <https://in.nau.edu/curriculum-and-assessment/curricular-reporting/>.

Note: The department/college is responsible for updating Student Advisor information after the plan change is processed.
