

Financial Account Tile Transcript

Let's take a look at the "Financial Account" tile in LOUIE.

Navigate to nau.edu/louie

Click Log into Louie and log in with your NAU Credentials.

Here you will see the new homepage with a tile layout.

Click "Financial Account".

On the left-hand side are different navigation options.

Click "Direct Deposit".

A new window will open. If a new window does not open, you may have a pop up blocker appear. It's important to know that popups need to be allowed within LOUIE for some pages to work properly. Please click on the popup blocker, if you have one, and allow pop ups from LOUIE.

To return to your Financial Account page, click on the corresponding browser tab. It's important to know that pop ups will appear differently when using a mobile device and returning to the Financial Account page will be different.

Once on the Financial Account page, to return to the previous page, use the back button in the upper left-hand corner.

Please note, currently in some instances the back button is not functioning properly and we are working diligently to fix this. In the meantime, please use your browser's back button or click on the home icon to return to your homepage.

To return to your homepage, click the "home" icon.

If you need further assistance navigating LOUIE, please view our other training videos, or contact the ITS Service Desk at 928-523-3335.
