

Navigator Tile Transcript

Let's take a look at the "Navigator" tile in LOUIE.

Navigate to nau.edu/louie.

Click Log into Louie and log in with your NAU Credentials.

Here you will see the new homepage with tile layout.

Click the compass icon in the upper right-hand corner.

Click "navigator".

The navigator is another way you can find the information you are looking for.

Click "self-service", "academic records", then "my course history".

Note that you will see the same information if you were to navigate to your course history through the "academic record" tile on the homepage.

Back on the right hand navigation menu, click "self-service", then click "campus finances". Here you'll see all of the options available for campus finances such as making a payment, enrolling in a payment plan, and your direct deposit, among many others.

To return to your homepage, click the "home" icon.

If you need further assistance navigating LOUIE, please view our other training videos, or contact the ITS Service Desk at 928-523-3335.
