

Louie Enrollment Appointment Transcript

Let's take a look at how to find your enrollment appointment in LOUIE. Your enrollment appointment is the date you can begin enrolling in your next semester's classes.

Navigate to nau.edu/louie. Click Log into Louie and log in with your NAU Credentials. Here you will see your student homepage. Click the "Manage Classes" tile.

On the left-hand side, click "Enrollment Appointment". The date listed is when you may begin to enroll in that term's classes. You can prepare for this date by searching for and adding classes to your enrollment shopping cart. Make sure enrollment is complete prior to the relevant term's add or drop date.
