

Louie Global Search Transcript

Let's take a look at how to use the "Global Search" option in LOUIE.

Navigate to nau.edu/louie.

Click Log into Louie and log in with your NAU Credentials.

Here you will see your student homepage.

In the top-right corner of the page, you will see a magnifying glass. This is the new "Global Search" option.

New tools may take a little time to get used to. If you're feeling lost or unable to find something in Louie, try searching for that in the "Global Search" box.

For example, if you type "Major" into the Global Search, you will be provided a link to the "Change of Major" section found within Louie.

If you search for the word "Academic," you will be given a link to the Academic Requirements section of Louie.
