

## Louie How to Find Course Descriptions Transcript

Let's take a look at how to find course descriptions in LOUIE. Navigate to [nau.edu/louie](http://nau.edu/louie). Click Log into Louie and log in with your NAU Credentials. Here you will see your student homepage. Click the "Manage Classes" tile. On the left-hand side, click "Class Search".

Let's say you are really interested in taking Social Problems—SOC 210—but you want to know what the class is about. First, let's search for SOC 210 in the class search.

This will bring up the available sections. To see class details, click on the blue link to the left of the course name.

From here, scroll down to the bottom section titled "Description" and you will find a brief description of what this class is about.
