

Off-Campus Living Community Transcript

Living off campus does not mean you have to be disconnected from the university. If you want to get involved and stay active but do not know where to start, try these:

If you are interested in making new friends, gaining leadership experience, providing community service and pursuing academic excellence, Greek-letter organizations provide a social and academic support system designed to give you a well-rounded and enriching college experience.

NAU is home to nearly 400 student organizations, meaning there are nearly 400 opportunities for you to find other Lumberjacks who share your interests and passions. Whether you choose to run for an elected position, establish a new organization, or give back to your community, you have the opportunity to engage in shaping your Lumberjack experience while living off campus.

Sport Clubs

Take your athletics to the next level. With the variety of sports clubs offered on campus, you have plenty of opportunities to immerse yourself in competition. Enhance your college experience through increased involvement on campus and engagement to NAU, travel and compete against other colleges and universities, and develop a healthy and active lifestyle.

Transfer & Online Connections (TOC)

Transfer and Online Connections, also known as T. O. C., is located in the University Union/Fieldhouse and offers services to assist students who live off campus. TOC has lockers that are available free of charge from 8 AM to 9 PM, they have computers that are located in their “commuter lounge” with access to printing, and also have a fridge and microwave for those long days on campus when you aren’t able to run home for lunch. T. O. C. hosts numerous academic and fun events throughout the year! You’ll definitely want to stop by and hang out for a while.
