Downloading the Microsoft Teams App on your Android Device

If you would like to have Microsoft teams on your android device, open the Google Play store. In the search field, enter "Microsoft Teams". Tap "Microsoft Teams" from the search results. Tap "Install" next to the Microsoft Teams App. Follow the download instructions for your device.

Microsoft Teams is now installed on your Android device.

Log into the App using your NAU credentials.

If you need further assistance, please view our other Microsoft Teams training videos or contact the Service Desk at 928-523-3335.
