

Downloading the Microsoft Teams app on your iOS Device

If you would like to have Microsoft teams on your IOS device, open the app store on your device. Tap “search”. Tap the search field and enter “Microsoft Teams”. Tap “Microsoft Teams” from the search results. Tap “Get” next to the Microsoft Teams app. Double click the side button on your device.

Microsoft Teams is now installed on your IOS device.

Log in to the app using your NAU credentials.

If you need further assistance, please view our other Microsoft Teams training videos or contact the Service Desk at 928-523-3335.
