

INSTALLING AN APP ON YOUR NAU ISSUED WINDOWS MACHINE

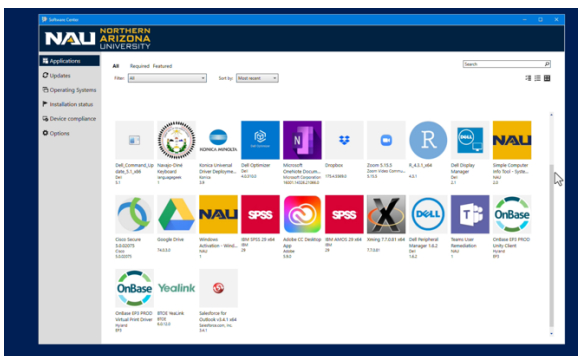

If you need to install an app on your NAU issued Windows machine, you can easily do so yourself!

If you are off campus, you will need to connect to the VPN first.

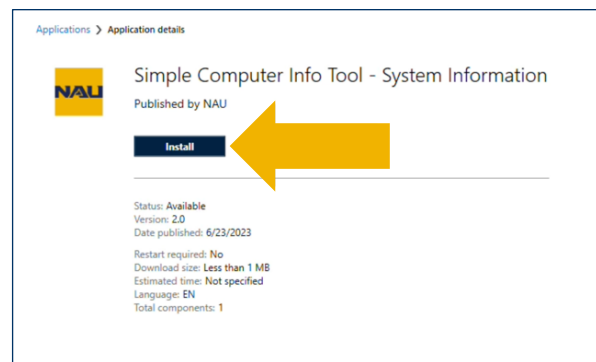

Click the Windows button in the lower left-hand corner. Search for "Software Center"

Open "Software Center"

A pop up will appear with all available apps for you to install on your device. Click the app you want to install.

Click "Install"

Please allow a few minutes for the app to install.
