NAU's *Residency for Tuition Purposes* policy is available at nau.edu/university-policy-library/residency/

In Arizona, as in all other states, tuition at the State's publicly-supported universities is lower for in-state resident students than for out-of-state non-resident students. This reflects the fact that state universities are supported financially by the state's taxpayers. The universities' rules for determining classification or reclassification as a resident or non-resident for tuition purposes reflect Arizona law and Arizona Board of Regents ("ABOR") policy. At the time of their admission, Northern Arizona University classifies all students as either a resident or non-resident. Students must be admitted and properly registered for classes using the tuition classification initially determined by the University prior to petitioning for residency reclassification for that term.

Additional residency information and forms are available at <https://in.nau.edu/student-service-center/arizona-residency/>.

❖ **This affidavit is for students who are domiciled in Arizona and have married an Arizona resident.**

- The individual's spouse must have established Domicile in Arizona for at least twelve (12) months immediately preceding the applicable Last Day of Registration
- AND The individual's spouse must have demonstrated financial independence
- AND The individual's spouse must be entitled to claim the individual as an exemption for federal and state tax purposes

Domicile: an individual's true, fixed and permanent home and place of habitation. It is the place where the individual lives, intends to remain, and to which the individual intends to return when leaving without intending to establish a new Domicile elsewhere.

In accordance with Arizona law (A.R.S. §15-1803) and ABOR Policy 4-102, aliens who meet the requirements of [A.R.S. §15-1803](#) are eligible for in-state tuition.

Deadlines – Term specific deadlines can be found at <https://in.nau.edu/student-service-center/arizona-residency/forms-deadlines/>

- The deadline to request reclassification is the Last Day of Registration. Students who fail to submit a petition or affidavit within the allowable timeframe waive their right to gain reclassification as an in-state resident for that semester, term, or session.
- Processing time for petitions is twenty (20) business days. If additional information is needed the process may be delayed.
- No extensions of payment deadlines are granted on the basis of unresolved residency status or pending petitions. A refund of fees will be issued, if necessary, upon approval of resident status.

Last Day of Registration: the final day of regular registration for credit for a semester, term, or session (as applicable) as published by the Office of the Registrar or as determined by the Director of the Student Service Center.

Appealing a Denial

In accordance with ABOR Policy 4-205 and as outlined in the Residency Reclassification Procedure, if an individual believes they have met the requirements to be classified as an in-state resident for tuition purposes and has been denied such classification, they may appeal their non-resident classification by submitting a Non-Resident Classification Notice of Appeal to the Student Service Center by the relevant deadlines published on its website. In no event will the University accept residency classification appeals later than thirty-five (35) calendar days from the applicable Last Day of Registration. Failure to file a completed and signed notice of appeal within the allowable timeframe shall constitute a waiver of the individual's right to appeal their residency classification for that term.

Student Athletes

If you are a Student Athlete, currently classified as Non-Resident or WUE, and receiving any scholarship funds from the Athletics Department, you must speak with the Athletics Compliance Officer before submitting this petition. Becoming a Resident for tuition purposes could negatively impact your Athletics Scholarship.
