Accessibility in Design Workshop Series

Workshops will be held virtually Fridays from 1:30-2:30 throughout the month of October.

Zoom Meeting ID: 822 7903 0036
Password: DESIGN

10.01
Sean Kugler
Sarah Lipsey
Designing Accessible Presentations

The new remote and hybrid learning environment provides an opportunity to update writing and presentation practices. Join Sean Kugler, NAU’s Accessibility Analyst and Sarah Lipsey, a Technical Training Analyst with ITS to learn best practices that anyone can incorporate into their writing and instruction. Participants will learn how to include all audience members through the use of personal self-description.

10.08
Audra Travelbee
Small Changes that Make A Big Difference: Increasing Accessibility in 10 Minutes or Less

There are many quick and simple adjustments you can make when creating documents, videos, and other content to increase accessibility in a big way. Join Audra Travelbee from the E-Learning Center to learn how updating your design practices can lead to a lasting positive impact on communication.

10.22
Lyric Peate
Reframing Disability: Design Thinking for Accessibility

Lyric Peate, a user experience lead with ITS, will present this interactive session that will explore how accessibility overlaps with usability on the web. We’ll also demonstrate how accessibility drives innovation through a design thinking exercise.

10.29
L. Copeland-Glenn
Rye Heidinger
Accessibility in WordPress Workshop

In this interactive workshop we will show you how to create and add appropriate alt text to images and explore how to properly use meaningful text for hyperlinks in WordPress.
