Vision and Goals

The Commission on Ethnic Diversity (CED) offers an opportunity for dialogue, shared experiences, and advocating change for people of color and allies committed to anti-racist, non-discriminatory and participatory practices through collaboration with other commissions, and units. CED seeks to create environments that reflect the struggles and successes of communities of color in both the United States and in global contexts.

For students, staff, faculty, and administrators, CED strives to:

- ∅ Promote the recruitment and retention of students, staff, faculty, and administrators of color
- ∅ Advocate for equity in salary and working conditions by strategically negotiating policies and practices
- ∅ Contribute to the development of a welcoming and supportive environment for faculty, staff, and students of color
- ∅ Support the integration of academic and student affairs programming focused on racial/ethnic diversity issues
- ∅ Collaborate with other commissions to make recommendations to the Office of the President
