Office of the President

## ON BEHALF OF THE FACULTY AND STAFF OF NORTHERN ARIZONA UNIVERSITY, CONGRATULATIONS!

A convocation is a time to reflect on and celebrate your unique contributions and accomplishments. I hope you feel a deep sense of pride for the years of work it took to get here and the success you have achieved because of who you are.

As you go forth into the world as an NAU graduate, we know you will contribute to building a more diverse, inclusive, equitable, just, and prosperous society. Equipped with the knowledge you have gained, the lessons you have learned, and the determination and resilience you have shown time and again, we are confident that you will rise to the challenges of the future and shape a better world.

Continue to give back and be a leader, approach the future with optimism and curiosity, and draw on the foundation of knowledge and experience you have built here at NAU. Through your accomplishments and actions, you will inspire others to pursue their dreams. We will be cheering for you every step of the way throughout your journey, and we hope you will remain lifelong ambassadors for NAU and stay connected to your Lumberjack family.

We are so proud of you and all that you have accomplished. Thank you for choosing NAU. Again, on behalf of the entire Lumberjack community, congratulations!

With respect,

José Luis Cruz Rivera

*STATEMENT OF*  
*ACKNOWLEDGEMENT OF*  
*DIVERSITY IN OUR COMMUNITY*

Graduates,

We know what a special day this is and we are excited for you to enjoy these accomplishments, sharing them with your loved ones and close supporters.

Our planning committee would like to take this opportunity to address the topic of diversity within our resilient communities. Throughout the many years that this convocation has been organized and held, the language we choose to use in the naming of this event has always been a topic of evolving discussion. The people who we are honoring today through the Hispanic, Latina/o/x Convocation are not complacent. The ways in which our cultures identify, and have been identified, have changed and will continue to change. We want to acknowledge the fact that there is not one name or umbrella term that encompasses our entire community, be it Hispanic, Latina(o)(x), Chicana(o)(x), or many others that may come to mind.

As educators and learners, we want to acknowledge that we will continue evolving and learning along with all of you. Thank you for representing our communities so well and allowing us to organize this special event for you as you head into your bright futures.

From our convocation planning committee to all of you, we wish you the best of luck and strength as you continue to tackle the obstacles in front of all of us, and we appreciate your support and voices that help us learn and grow.

With love,

The Hispanic, Latina/o/x Convocation Committee

## THE HISTORY OF THE SARAPE

When Cortez arrived on Mexico's shores in 1519, the Aztecs were already wearing a blanket-type garment, the *sarape*. The Spanish influenced the weavings by introducing the pedal loom and domesticated sheep and wool. Worn only by men, *sarapes* were the counterpart of the *rebozos* and *huipiles* worn by women. *Sarapes* were the typical garment of workers, horsemen, and townsfolk alike.

*Sarapes* were worn over the shoulder by aristocrats, used as a blanket by cowboys, covered walls or beds in homes, or were spread out on the ground at markets to display wares. *Sarapes* are exquisite works of art, each piece the result of months of work by talented weaving families.

While a recognized symbol of Mexican culture, the convocation committee selected the *sarape* for the sashes as a tribute to the hard work of our Hispanic students as they reach graduation. The variety of colors across the sashes is intended to honor the rich cultural diversity of our many graduates who proudly represent multiple nationalities in the larger community of NAU.

## **CLASS OF 2023**

---

Congratulations and welcome to the Lumberjack Alumni family!

Did you know that NAU has over 10 alumni chapters spanning from Phoenix and Yuma in Arizona to out-of-state locations including Portland, San Diego, and Washington, D.C.? Joining an alumni chapter is free and allows you to continue your involvement in NAU traditions and celebrations of Lumberjack Pride. Alongside the ability to engage with past classmates, staying connected with your alma mater can help you expand your network, stay up-to-date with NAU activities, and invest in the next generation of Lumberjacks. As a Latina NAU Alumna myself, I can't express how valuable the network of Lumberjacks and new friendships I have found in my local Flagstaff alumni chapter have been to my personal and professional development.

Continue your NAU story and contribute to the Lumberjack legacy by getting involved with your local alumni community today!

## HAVE YOU SEEN THE HUMMINGBIRD?

With its small size and appearance, the hummingbird is often associated with endurance and perseverance, reminding us to be adaptable and accepting of change. As the unofficial symbol for our new Hispanic/Latine initiative, the hummingbird reminds us that we are seen, we are heard, and we belong – at NAU.

Suyo Familia,  
Vidal Mendoza
