Academic Success Centers

What's SI?

SI is free academic support for your class and does not have a grade. Your SI leader takes the class with you and then holds 2-3 weekly review sessions. Students who use SI typically receive half to a full letter grade higher than those who do not.

How to sign up:

When you register for a class in LOUIE, select a Supplemental Instruction (SI) section that corresponds with the lecture section number. For example, if the lecture section number is 002, then select 002 for the SI section.

SI supported courses:

ACC: 205, 255, 256
BIO: 181, 182, 201, 202, 205
CHM: 151, 152, 230, 235
