Addendum 2
Request for Proposal Number: P20GB001
Planning, Budgeting and Forecasting Software System

Please note the following on the above referenced Request for Proposal.

1. Question: How many users does the University predict will be using the software? Have the users been classified in any way, e.g., primary users, read-only, etc.?

The University's response: There are nine (9) primary users, twenty (20) secondary users and eighty (80) read only users.
