2. PROPOSAL BACKGROUND

2.1. RFP Overview

This RFP is part of a competitive negotiation process intended to allow the University to obtain goods and/or services as outlined herein in a manner which is most advantageous to the University. This RFP provides the University the flexibility to negotiate with Offerors, if desired, to arrive at a mutually agreeable relationship. Price may weigh heavily in the evaluation process but will not be the only factor under consideration and may not be the determining factor. All Offers will be considered public record and available for review, as allowed by law, during regular office hours after award by contacting the University’s Associate Vice President of Procurement.

2.2. Term

The initial term of a resulting Contract shall be one (1) year, from date of award, with an option to renew four (4) additional one (1) year periods with a total term not to exceed five (5) years. Services to be initiated July 1, 2020.

2.3. Intent

2.3.1. It is the University's intent to select the Offer(s), which are most favorable in all respects, including scope, availability of services, quality of services, reputation and price. If not otherwise stated herein, multiple awards may be made or an award(s) may be made partial, by part, by line item, or by any combination of parts if identified as being in the best interest of the University.

2.3.2. The successful Offeror(s) will be expected to work closely with the University’s designated representative(s) to administer an effective and efficient program.

AN AUTHORIZED AGENT OF THE OFFEROR SHALL SIGN THE PROPOSAL CERTIFICATION
Pursuant to ARS §41-4401 the University is prohibited after September 30, 2008 from awarding a Contract to any Offeror who fails, or whose subcontractors fail, to comply with ARS § 23-214-A. Offeror warrants that it complies fully with all federal immigration laws and regulations that relate to its employees, that it shall verify, through the U.S. Department of Homeland Security’s E-Verify program, the employment eligibility of each employee hired after December 31, 2007, and that it shall require its subcontractors and sub-subcontractors to provide the same warranties to the Offeror.

Offeror acknowledges that a breach of this warranty by Offeror or by any subcontractor or sub-subcontractor under this Contract shall be deemed a material breach of this Contract, and is grounds for penalties, including termination of this Contract, by the University. The University retains the right to inspect the records of any Offeror, subcontractor and sub-subcontractor employee who performs work under this Contract, and to conduct random verification of the employment records of the Offeror and any subcontractor and sub-subcontractor who works on this Contract, to ensure that the Offeror and each subcontractor and sub-subcontractor is complying with the warranties set forth above. The portion of this provision dealing with the Offeror’s warranty is not applicable where the Offeror is a governmental entity nor is the Offeror required to pass this provision through to subcontractors and sub-subcontractors who are governmental entities.

**AN AUTHORIZED AGENT OF THE OFFEROR SHALL SIGN THE ANTI-LOBBYING CERTIFICATION**
Certification Regarding Debarment, Suspension, Proposed Debarment, and Other Responsibility Matters (Dec 2001)

In accordance with the Federal Acquisition Regulation, 52.209-5:

(a) (1) The Offeror certifies, to the best of its knowledge and belief, that—
   (i) The Offeror and/or any of its Principals—

(A) (check one) Are ( ) or are not ( ) presently debarred, suspended, proposed for debarment, or declared ineligible for the award of contracts by any Federal agency; (The debarred list (List of Parties Excluded from Federal Procurement and Nonprocurement Programs) is at http://epls.arnet.gov on the Web.)

(B) (check one) Have ( ) or have not ( ), within a three-year period preceding this offer, been convicted of or had a civil judgment rendered against them for: commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, state, or local) contract or subcontract; violation of Federal or state antitrust statutes relating to the submission of offers; or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, tax evasion, or receiving stolen property; and

(C) (check one) Are ( ) or are not ( ) presently indicted for, or otherwise criminally or civilly charged by a governmental entity with, commission of any of the offenses enumerated in paragraph (a)(1)(i)(B) of this provision.

(ii) The Offeror (check one) has ( ) or has not ( ), within a three-year period preceding this offer, had one or more contracts terminated for default by any Federal agency.

(2) “Principals,” for the purposes of this certification, means officers; directors; owners; partners; and, persons having primary management or supervisory responsibilities within a business entity (e.g., general manager; plant manager; head of a subsidiary, division, or business segment, and similar positions).

This Certification Concerns a Matter Within the Jurisdiction of an Agency of the United States and the Making of a False, Fictitious, or Fraudulent Certification May Render the Maker Subject to Prosecution Under Section 1001, Title 18, United States Code.

(b) The Offeror shall provide immediate written notice to the Contracting Officer if, at any time prior to contract award, the Offeror learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

(c) A certification that any of the items in paragraph (a) of this provision exists will not necessarily result in withholding of an award under this solicitation. However, the certification will be considered in connection with a determination of the Offeror’s responsibility. Failure of
the Offeror to furnish a certification or provide such additional information as requested by the Contracting Officer may render the Offeror nonresponsible.

(d) Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render, in good faith, the certification required by paragraph (a) of this provision. The knowledge and information of an Offeror is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

(e) The certification in paragraph (a) of this provision is a material representation of fact upon which reliance was placed when making award. If it is later determined that the Offeror knowingly rendered an erroneous certification, in addition to other remedies available to the Government, the Contracting Officer may terminate the contract resulting from this solicitation for default.
