Sanitizer Product No.  
ESP13346

ACTIVE INGREDIENTS: Sodium Dichloroacetic Acid 82.21%  
EFFERESCENT INGREDIENTS 13.79%  
TOTAL 96.00%  
\* Represents 10.75% when diluted to 1000 ppm.  
Refer to dilution chart for Available Chlorine concentrations.

**KEEP OUT OF REACH OF CHILDREN  
DANGER**

See the panel for Additional Precautionary Statements

**FIRST AID:**  
IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.  
IF SWALLOWED: Call a poison control center or doctor immediately for treatment advice. Have person sip glass of water to dilute solution unless told otherwise. Do not induce vomiting unless told to do so by the poison control center or doctor. Do not give anything by mouth to an unconscious person. IF VOMITED: Have person spit out. If person is not breathing, call 911 or an ambulance for further instructions. **PROXIMAL OR CHEMICAL HAZARDS: STRONG OXIDIZING AGENT.** Do not come into contact with water.  
CONTAINER WITH RESIDUE: If you get residue on skin: Rinse and wash immediately with plenty of running water.  
With potential for skin irritation or other discomforts if any large quantity may come in contact with skin.  
Rinsing or spraying on skin may irritate. Avoid contact with eyes. Do not get into eyes. Rinse thoroughly with water if contact occurs.  
DO NOT USE PURTABS IN WATER. Do not use PURTABS in any swimming pools which has been treated with other chlorine compounds (e.g., calcium hypochlorite). Do not use near open flame or equipment.

**PRECAUTIONARY STATEMENTS**  
HAZARD TO HUMANS AND DOMESTIC ANIMALS  
DANGER: Causes Irritation to eye. May cause eye damage. May irritate if swallowed, inhaled, or absorbed through skin. Do not get into eyes, on face, or clothing. Avoid breathing dust. These chemical irritants may cause skin and scalp irritation or face and hand irritation when used on skin. Wash thoroughly with soap and water after handling, and before eating, drinking, or using tobacco. Do not use near children, infants, or pets. Rinse and wash immediately with plenty of running water.  
**PHYSICAL OR CHEMICAL HAZARDS: STRONG OXIDIZING AGENT.** Do not come into contact with water.  
CONTAINER WITH RESIDUE: If you get residue on skin: Rinse and wash immediately with plenty of running water.
