Addendum 2
Request for Proposal Number:  P23JS002
Recycling and Landfill Waste Containers

Please note the following on the above referenced Request for Proposal.

1. The following shall be added:
   a. Section 2. Definitions.
      i. “Liners” refers to disposable bags.
   b. Exhibit 5 Photos.

   P23JS002 Exhibit 5.pdf

2. Section 4.3.2.6. shall be removed in its entirety and replaced with the following:
   Front access to remove and replace liners.

3. Question: Would you be prepared to accept an email transmission of the documents instead of mailing/Fed Ex?
   University’s response: Refer to Section 7.4.2.

4. Question: Do we bid on all items?
   University’s response: Refer to Section 3.1.1 and 3.1.5.

5. Question: What is the material of the Small and Medium Inside Containers?
   University’s response: Containers made of recycled or other environmentally friendly plastic alternative materials are preferred.
6. Question: Section 4.3.4. Does separate containers mean the containers should be independent of one another and not attached together?

University’s response: Yes.

7. Question: Section 4.3.4.: Does top lid mean the deposit slot of the container should be at the top and not the front or side of the container?

University’s response: Yes.

8. Question: Section 4.5.1.3: Does top lid mean the deposit slot of the container should be at the top and not the front or side of the container?

University’s response: Yes.

9. Question: Section 4.3.3.4. Does liner specification refer to plastic bags or rigid internal liners?

University’s response: Refers to disposable bags.
