Congratulations on your acceptance to Northern Arizona University (NAU)! You are a recipient of VA Educational Benefits from your Military Sponsor, please carefully read through each step of this checklist to help guide you in your transition to NAU.

Your NAU Veteran and Military Success Center (VSC)

- The VSC is your go-to office for transitioning to NAU for VA Benefits, campus resources, and more. The VSC also provides computers with free black and white printing, scanning, faxing, and a lounge for all military connected students.
- We are open 8:00am – 5:00pm Monday thru Friday in the NAU Field House (Bldg 30), Room 138.
- Email: Vets@nau.edu | Phone: 928-523-VETS (8387)
- If you have any questions during your transition and throughout your academic career at NAU, please contact the VSC or come in to see us!

Steps to Complete:
1. Accept your offer to NAU. Log into nau.edu/acceptmyoffer using your NAU User-ID and Password.

   - Enrollment Deposit: As a recipient of specific VA Educational benefits (Chapter 33 transferred benefits, Marine Gunnery Sergeant John David Fry Scholarship), we will defer the required $250 portion of the NAU Enrollment Deposit Fee. *If you have already paid this deposit, you will be reimbursed at the end of the term. If you have NOT yet paid this, please contact our office at vets@nau.edu with your name, ID and the VA education benefit you are utilizing and we will defer the deposit for you

      Here is how it works:

       - This Enrollment Deposit Fee holds your spot at NAU and is non-refundable until specific timelines. For more information, please visit: https://nau.edu/admission/freshmen-next-steps/
       - You will be liable to pay this fee later or by other means such as Financial Aid if the VA does not cover the full amount based on your eligibility.
       - IMPORTANT: The $100 housing deposit is not paid or deferred by NAU’s Veteran and Military Services. This is a separate deposit for those requesting on-campus housing. If you are seeking priority on-campus housing, you must visit https://nau.edu/housing and complete the application. The aforementioned $100 will be billed to your LOUIE account and will need to be paid within a week.

4. Next Steps to Enrollment

A great deal goes into preparing for your arrival to Northern Arizona University. Please go to https://nau.edu/admission/next-steps-to-enrollment/ and follow each step carefully. Then be sure to come back to this checklist to get timely information on Residency information and how to utilize your VA Educational Benefits at NAU.

5. Enroll in Classes

In order to initiate your GI Bill funding, you must be enrolled in classes. See the Priority Enrollment link at https://nau.edu/admission/next-steps-to-enrollment/ * Step 7 will explain how to submit your courses for VA Education Benefits.

6. Academic Advising

- For help setting up an academic advising appointment or help addressing academic holds on your account proceed to https://nau.edu/Gateway/Advising/Appointments/
- For a list of advisors (and contact info) associated with your major and online students seeking advisement you can find those resources at https://nau.edu/Provost/VPAA/University-Advising/Undergraduate-Advisors/

7. Submit Your Course Schedule for VA Benefits

Once you have completed your VA education benefits and enrolled in classes, you will need to “submit your course schedule for VA benefits”. This will initiate your VA Enrollment Certification for your monetary benefits and can be completed on your LOUIE account. Visit: https://www.peoplesoft.nau.edu
**IMPORTANT:** You must submit your course schedule for VA benefits EVERY SEMESTER, and resubmit the form if you make any changes i.e. add/drop classes. If you do not submit your course schedule through your LOUIE account, the VA will not be informed of your enrollment into school. NO CERTIFICATION = NO MONEY.

- **Dropping a class:** If you drop a class after the add/drop date, you must send an email to vets@nau.edu with the name of the class(es) you are dropping and the reason. There may be financial implications associated with dropping class(es) after the add/drop date. Please feel free to contact the VSC for guidance in this process.

- **Personalized Learning (PL):** This program is currently NOT covered by VA Educational Benefits. The PL program is a self-paced blend of traditional academic learning and real work experience, designed for a less traditional more dynamic learning environment for students with the personal drive and time management skills capable of making efficient use of this unique opportunity.

8. **Residency/Tuition Rate:**

- If you are deemed an out-of-state resident or a WUE student, there are a few options you may be eligible for to obtain the in-state tuition rate. Entirely online students do not need to fill out In-State tuition/Yellow Ribbon Forms. * Remember the VA only pays the in-state portion of your tuition. Please immediately visit www.nau.edu/vets to complete the “In-State Tuition/Yellow Ribbon Form:
  - If you did not live in the state of Arizona prior to physically attending school, you will need to fill out this form once you have moved to Flagstaff and are able to show proof that you live in the state.
  - Ch. 35 DEA benefit recipients are not eligible for the military in-state tuition programs.

You must submit your residency form BEFORE the Add/Drop Date of your first term!

9. **Vet Pay Plans:**

- If you are using Transferred Ch. 33 Post 9/11 GI Bill ® benefits, the VA pays the school directly; therefore, NAU will automatically add you to a FREE “Vet Pay Plan” for the tuition and fees portion of your balance AFTER we get your class certification request. * The BAH and Book stipend are paid directly to your account for which you set up with www.va.gov. The Meal Plan and Housing charges on your account will need to be paid by you to the school and will not be put on a “Vet Pay Plan”.

- If you are using Ch. 35 benefits, the VA pays a monthly stipend directly to your account for which you set up with www.va.gov. NAU offers a free “Vet Pay Plan” for Ch 35 recipients as well, by Request only. To request this pay plan, you will need to email vets@nau.edu.
10. Financial Aid

We encourage all students to complete the Free Application for Student Aid (FAFSA), found online at fafsa.ed.gov. FAFSA determines your eligibility for low/no interest student loans as well as state/federal grants. Make sure to report any veteran/military benefits you will be receiving.
