#### [Submit COE Form Here](#)

**NOTE:** It could take up to 90 days to receive your COE from the VA by mail. You may continue through the remaining steps on this list before you receive the paper copy of your COE.

#### 5.) BEFORE YOUR 1<sup>st</sup> TERM BEGINS- Register for the following New Student Orientation Components

- **Benefit Recipient/Dependents ZOOM info session:** If you are using 33, 35, FRY you are offered attendance to the 1-hour VMS education benefit info session. This session is presented virtually via ZOOM approximately 6 weeks prior to the start of the term for optimal timing of funding. Register for the 1 hour zoom sessions!

#### [Virtual Benefit Information Zoom Session Registration \\*Families Welcome!](#)

- As a military-connected family member, you still need to complete the New-Student Orientation steps through the Office of Undergraduate Admissions. There are separate orientation requirements based on your campus as well as your status as a new or transfer student. Please visit the [Admissions Orientation Website](#) for more information.
- **Online Orientation Modules:** View the Online Orientation Modules before the first day of class. The online portion of the orientation experience should take 2 hours or less to complete and will provide you with overall

## 6.) Next Steps to Enrollment

- A great deal goes into preparing for your arrival to NAU. Please go to [nau.edu/admission/next-steps-to-enrollment/](https://nau.edu/admission/next-steps-to-enrollment/) and follow each step carefully. Then be sure to come back to this checklist to get timely information on Residency information and how to utilize your VA Educational Benefits at NAU.

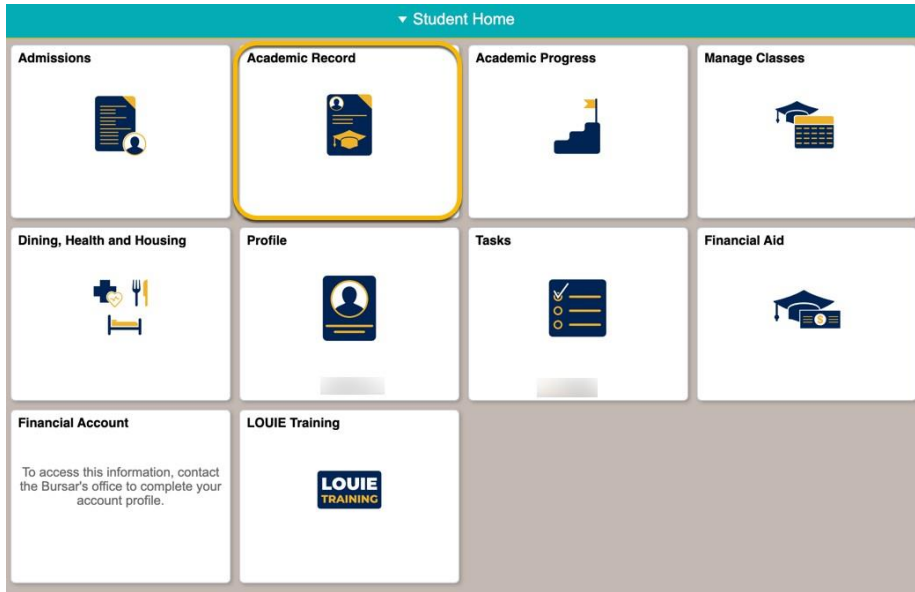

## 7.) Academic Advising

- For help setting up an academic advising appointment or help addressing academic holds on your account proceed to [nau.edu/Gateway/advising/Appointment/](https://nau.edu/Gateway/advising/Appointment/).
- For a list of advisors (and contact info) associated with your major and online students seeking advisement, you can find those resources at [nau.edu/Provost/VPAA/University-Advising/Undergraduate-Advisors/](https://nau.edu/Provost/VPAA/University-Advising/Undergraduate-Advisors/).
- Graduate students will need to contact their college of study to get their advisor assigned and to meet with their advisors.
- **In order to use your military benefits, you must be enrolled in classes.**

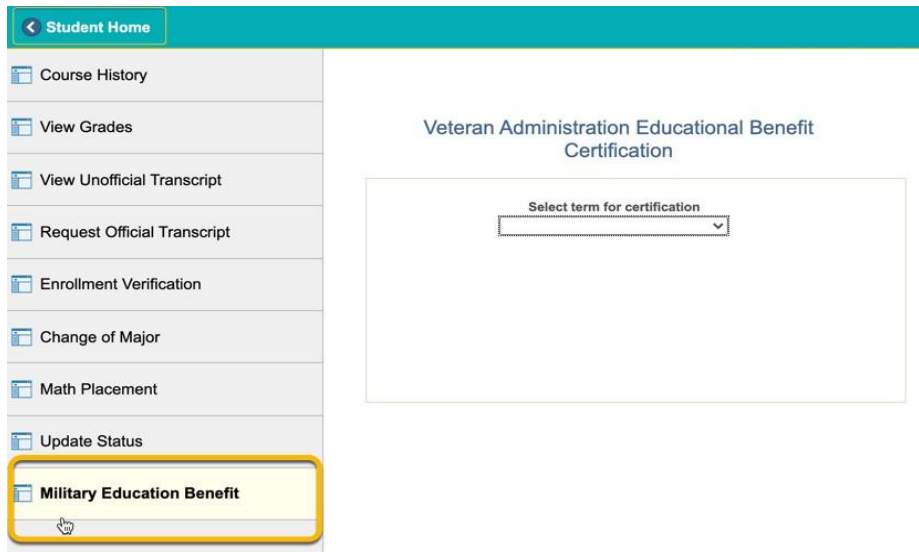

## 8.) Submit Your Course Schedule for VA Benefits.

Once you have completed your VA education benefits eligibility and enrolled in classes, submit your course for certification through your NAU student center (LOUIE). In order to initiate and administer your military benefits, **THIS STEP IS REQUIRED EVERY SEMESTER**. This process provides NAU verified permission to submit your request for said benefits and ensures that courses you are taking are part of your degree progression plan as it is a Federal Requirement. Visit your [LOUIE Student Portal!](#)

**Step 1: Louie Main Menu, Select Academic Record**

**Step 2: Select Military Education Benefit, Then Select Term**

**IMPORTANT:** You **MUST** submit your course schedule for VA benefits **EVERY SEMESTER**, and resubmit the form if you make and changes i.e. add/drop classes. If you do not submit your course schedule through your LOUIE account, the VA will not be informed of your enrollment into school. **NO CERTIFICATION = NO MONEY.**

- **Dropping a class:** If you drop a class after the add/drop date, you must send an email to [vets@nau.edu](mailto:vets@nau.edu) with the name of the class(es) you are dropping and the reason. There may be financial implications associated with dropping class(es) after the add/drop date. Please feel free to contact the VSC for guidance in this process.

- **Personalized Learning (PL):** *This program is NOT currently covered by VA Educational Benefits.* The PL program is a self-paced blend of traditional academic learning and real work experience, designed for a less traditional, more dynamic learning environment for students with the personal drive and time management skills capable of making efficient use of this unique opportunity.

## 9.) Residency/Tuition Rate

- If you are deemed an out-of-state resident or a WUE student, there are a few options you may be eligible for to obtain the in-state tuition rate, one of which is the Yellow Ribbon Program. **Entirely online students do not need to fill out In-state tuition/Yellow Ribbon Forms.** Remember, the VA only pays the In-state portion of your tuition. Please visit [Forms | Veteran And Military Services \(nau.edu\)](https://nau.edu/forms/veteran-and-military-services) to complete the In-state Tuition/Yellow Ribbon Form as soon as you arrive to Arizona:
- If you did not live in the State of Arizona prior to physically attending school, you will need to fill out this form once you have moved Arizona and are able to show proof that you live in the state. \*The VSC has specific requirements for proof of residency: For bills/bank statements- it must contain your name, the AZ address, and an official header. For leases- It must contain your name, the address, your signature and the leasing/manager's signature. **NAU on-campus housing agreements are not accepted as proof of residency.**
- To be eligible for the In-state Tuition change or the Yellow Ribbon Scholarship, you must complete the Citizenship Form (Prop 300). Find out more [here](#).

**You must submit your residency form BEFORE the Add/Drop date of the term!**

**Fully Online students are charged one rate of tuition not based on residency status and need not apply for in-state tuition rate.**

## 10.) Free Pay plans

- If you are using CH 35 (DEA) VA Benefits, the VA pays a monthly stipend directly to your account for which you set up with [va.gov](https://va.gov). NAU offers a free "Vet Pay Plan" for CH 35 recipients **by Request Only**. To request this pay plan, you will need to email [vets@nau.edu](mailto:vets@nau.edu). Upon receiving your email request, we will provide instructions how to opt into this free pay plan.
- Ch. 33 Post 9/11 & Fry Scholarship students will be added to this pay-plan automatically after students submit their classes each term.

## 11.) Financial Aid

- All students should complete the [Free Application for Student Aid \(FAFSA\)](#). FAFSA determines your eligibility for Federal Student Loans as well as state/federal grants (grants = money you do not pay back), and is a requirement for many scholarships.
- FAFSA opens October 1<sup>st</sup> every year. You will need to re-apply to FAFSA every October and the sooner you complete it, the better in terms of funding availability.

\*We suggest marking your calendars as a reminder to do this each October!
