Introduction

Northern Arizona University’s Dean of Students (DoS) team is administering a pilot program for reimbursement of qualified child care expenses through the Higher Education Child Care Project (HECCP). Funding for the HECCP is provided by the Arizona Department of Economic Security (ADES) Division of Child Care through federal Child Care and Development Block Grant COVID-19 relief funds. The pilot project end date is June 30, 2024 (child care reimbursements will be processed for qualified child care services rendered through June 30, 2024).

The purpose of the NAU HECCP is to provide qualified child care assistance to income eligible student-parents of children ages birth through twelve (12) who are enrolled full-time (no work requirement) or part-time and employed in a work activity for monetary compensation. Student-parents who attend NAU online, in-person, partner programs, and state-wide or are enrolled in the CCC2NAU Pathway Program are eligible to apply with consideration of other eligibility criteria. The income requirement is based on the State Median Income (SMI), which is updated annually. To be income eligible, student-parents must have an annual household income of 85% or less than the SMI for their household size. Please see the HECCP Income Requirement Chart on page two (2). The income requirement was updated on October 1, 2023, and is effective for all applications from October 1, 2023, through April 30, 2024, or when the final application due date is determined.

Priority will be given to qualified student-parents in the following programs/areas: School of Nursing, Early Childhood Education, or K-12 Education, but student-parents enrolled in any NAU degree pathway approved by ADES (all current NAU degree pathways are approved) and those who are enrolled in the CCC2NAU Pathway Program who meet the income requirement are eligible to apply.

Eligibility

- **Priority Degree Pathways:** NAU School of Nursing and College of Education Early Childhood Education and K-12 Education students.
- **Other Degree Pathways:** All NAU degree pathways as approved by ADES and CCC2NAU Pathway Program.

- **Enrollment:** Currently enrolled full-time with no work requirement or part-time with employment in a work activity for monetary compensation. NAU HECCP staff will refer to <https://nau.edu/university-policy-library/> to determine enrollment. Eligible student-parents who were enrolled according to the guidelines above in any term dating back to Fall 2021 are also considered eligible to apply for retroactive qualified child care reimbursements from October 1, 2021.
- **Income:** Annual State Median Income (SMI) of not more than 85% of SMI based on household/family size for each applicable program year (updated on October 1, 2023). A copy of the student-parents page 1 of Tax Form 1040 must be provided at the time of application. Line 11 of Tax Form 1040 will be used to determine income eligibility. The income chart below is effective for application review from October 1, 2021, through April 30, 2024 (final application due date):

HECCP Income Requirements
Effective October 1, 2021 – April 30, 2024

Household / Family Size	Family Adjusted Gross Monthly Income	Family Adjusted Gross Annual Income (Tax Form 1040, Line 11) of Not More Than
2	\$4,454	\$53,448
3	\$5,502	\$66,024
4	\$6,549	\$78,588
5	\$7,598	\$91,176
6	\$8,645	\$103,740
7	\$8,842	\$106,104
8	\$9,039	\$108,468
9	\$9,235	\$110,820
10	\$9,431	\$113,172
11	\$9,628	\$115,536
12	\$9,824	\$117,888

- **Parents:** Parent or legal guardian of a dependent child(ren) ages birth through twelve (12) and Arizona resident. Proof of residency will be required at time of application.
- **Child:** Legal dependent child(ren) ages birth through twelve (12) (this includes children by birth or adoption, foster children, and children by court order if proper identification is provided). Birth certificates will be required at time of application to determine child(ren) age and legal guardian evidence will be required in cases of guardianship.
- **Child Care Providers:** Is inclusive of ADES Certified Family Child Care Homes, ADES Contracted Child Care Centers and Group Homes that are regulated by the Arizona Department of Health Services (ADHS) and hold a current registration agreement with ADES, and Child Care Providers that are licensed and regulated by the ADHS. Child care providers must be a licensed or certified provider listed on the Arizona Child Care Resource & Referral website. Regulated providers can be found by using the “Search for Child Care” and “Advanced Search Criteria” prompts on the Child Resource and Referral (CCR&R) website (azccrr.com). To narrow the search, enter the city and/or zip code for which child care is being sought.
 - As the selection of child care is the exclusive responsibility of parents, the child care provider chosen will be asked to confirm certain information. This includes confirming the provider meets the description of a qualifying child care provider as described in the program guidelines, and regarding reimbursement-related submittals for child care service occurring in all corresponding academic years.
 - Child care programs not eligible for NAU’s HECCP are those:
 - Offering experiences as “recreational” opportunities not meeting “Qualifying Child Care” descriptions;
 - At schools without the supervision of state or local education authorities (e.g., “private schools”);
 - Where participants are allowed to sign themselves in/out; and/or
 - That reflects non-child care tuition.
- **Dual eligibility:** If a student-parent has dual eligibility with *both* DES child care assistance and NAU HECCP child care reimbursements, DES child care assistance will be the payor of first resort, and any child care costs not covered by DES can then be covered by the NAU HECCP. To verify whether a student is currently receiving DES child care assistance, and what their authorized amount of assistance is, the NAU HECCP will request the student provide a copy of their [Provider/Parent/Guardian's Agreement for Child Care Charges](#). Student-parents who receive DES child care assistance will be required to provide their Provider/Parent/Guardian Agreement for Child Care Charges prior to being enrolled in the NAU HECCP.
- **Employment:** If a student-parent is enrolled less than full-time, they will need to demonstrate proof of employment in a work

activity for monetary compensation during all terms of requested reimbursements. Student-parents enrolled full-time at NAU do not have a work requirement.

Citizenship and Residency

The eligible student-parent and their family (including dependents) must be currently residing in the State of Arizona and must be physically present in Arizona to receive Child Care Assistance. The children for whom assistance is requested must be either United States citizens or Qualified Immigrants of the United States to be eligible for Child Care Assistance.

Audit and Reporting Participation

To comply with ADES's HECCP guidelines, NAU is responsible for submitting detailed reports and verifying that child care assistance parameters are being met through periodic audits. Information provided will be de-identified, so details about individual students and their child(ren) are not identifiable. NAU is also required to provide data on student undergraduate degree completion and post-graduation job placement. Therefore, as part of this program, student-parents who have received or are receiving child care reimbursements through the NAU HECCP must agree to completing surveys and providing narratives as requested by NAU. Failure to respond to surveys and narrative requests may result in repayment of all child care assistance provided through the NAU HECCP.

Documentation and Verification

- DOS staff will verify student eligibility, income, legal dependency of child(ren), ages of children, child care utilization, citizenship and residency, employment (less than full-time only), other program related details, and financial aid status to include FAFSA information, if applicable.
- Reimbursement amounts will be based on timely receipts provided monthly or retroactively (reimbursement amounts may be subject to ADES Maximum Reimbursement Rates for Child Care guidelines).
- Eligible students may be asked to provide additional information when the student's spouse or partner is also an NAU student or NAU employee.
- The following documentation may be required to determine eligibility, program enrollment continuation, and to complete program audits:
 - Proof of income (first page of applicable year's tax returns, Form 1040, line 11 Household Adjusted Gross Income (AGI) or AGI listed on the IRS tax return transcript)
 - Proof of Arizona residency for student-parent
 - Proof of child(ren)'s United States citizenship or Qualified Immigrant status
 - Proof of age for eligible child(ren) (birth certificates for all eligible children)
 - Proof of guardianship if student-parent is not listed on the birth certificate(s)
 - Proof of work activity for monetary compensation for applicable terms for those enrolled less than full-time at NAU
 - Free Application for Federal Student Aid (FAFSA) review in collaboration with the NAU Office of Scholarships & Financial Aid (OSFA)
 - [Provider/Parent/Guardian's Agreement for Child Care Charges](#) for student-parents receiving DES child care assistance
 - Approved child care facility utilization confirmation
 - Approved child care facility receipts
 - Self-attestation/confirmation of other child care assistance-related information

Application

- It is the student's responsibility to understand program content; to accurately complete, submit and update program/area information in a timely manner; and to receive and apply to the NAU HECCP application in accordance with program guidelines. Please email ADES.HECCP@nau.edu or call (928) 523-5181 should you have questions.
- The names of eligible NAU students – including spelling and hyphenating – should match students' NAU personal information. After updates are made by the student-parent in LOUIE (nau.edu/LOUIE), they are to email ADES.HECCP@nau.edu to communicate changes to avoid enrollment interruptions or payment delays.
- Enrolled students not complying with program guidelines, application requirements, and survey participation may be disqualified from the program and repayment of reimbursements may be required.
- Applications will be available on the date and time listed at nau.edu/HECCP.
- Student-parents in the School of Nursing, Early Childhood Education, and K-12 Education will have HECCP enrollment priority.
- Students may submit one (1) application for each enrolled term if they will be enrolled less than a full academic year or one (1) application per enrolled full academic year 2022-2023 (may include Summer 2023) and academic year 2023-2024 (no Summer 2024 included as the program will end after the Spring 2024 semester) if they are eligible. Retroactive applications for Fall 2021 (from October 1, 2021, only), Spring 2022, Summer 2022, Fall 2022, Spring 2023, Summer 2023, Fall 2023, and Spring 2024 reimbursements will be accepted until April 30, 2024. Only one (1) application for all retroactive reimbursements and for monthly reimbursements is necessary. The HECCP guidelines and application are available at nau.edu/HECCP.

- Application forms will be dated upon receipt, are processed, and prioritized based on that date unless funding becomes limited, in which case student-parents in Nursing, Early Childhood Education, and K-12 Education degree pathways will receive priority. You will receive an autoreply confirming submittal status through your NAU email account. HECCP staff will contact you if there are questions. Application responses from the NAU HECCP staff may take up to twelve (12) weeks.
- Program enrollment approval is based upon the date of the completed submittal. Incomplete submittals may delay the approval process.
- In the case that two parents are currently enrolled NAU students, NAU HECCP reimbursement will be considered for only a single student-parent on behalf of the family. Please submit only one application per household/family.
- In the case that one or both parents are enrolled in any ADES HECCP in the State of Arizona through any higher education institution, NAU reimbursement will only be considered for child care expenses not currently being covered for a single student-parent on behalf of the family.
- In the case an applicant receives Arizona Department of Economic Security (DES) Child Care Assistance, the applicant must upload their Provider/Parent/Guardian’s Agreement for Child Care Charges form with their application, and NAU HECCP reimbursement will be considered AFTER all DES assistance has been deducted.
- Applications for NAU’s HECCP are subject to audit and additional documentation of eligibility may be required. If found to be ineligible, such students are responsible for reimbursing/repaying all monies to NAU. Failure to comply with the above requirements may result in denial of this student service.
- If a student does not meet the application and/or child care receipt(s) due dates communicated via email, retroactive payments for Fall 2021 (back to October 1, 2021, only) through April 30, 2024, will be considered on a case-by-case basis only if funds are available. There will be no retroactive reimbursements after April 30, 2024. Reimbursements for approved child care services rendered after June 30, 2024, will not be processed unless NAU HECCP Guidelines are revised to extend the Program. Students are encouraged to apply and submit receipts in a timely manner for full consideration.
- The NAU HECCP is a pilot program contingent upon funding, assessment of need, and distribution method. Therefore, funding assistance cannot be guaranteed, and the guidelines may change at any time. Eligible students have access to apply; however, a completed application does not guarantee program enrollment and resulting reimbursement for child care expenses.
- Applications will be accepted per the following table to ensure ADES reporting is accurate and timely:

Enrollment Priority

Funding is based on availability and priority will be given to student-parents in the School of Nursing, Early Childhood Education, and

K-12 Education. Additional priority will be given to the following:

- Education majors who are student teaching
- Nursing majors who are participating in their clinicals
- Student-parents in their 3rd or 4th year

Waitlists

- If you are deemed eligible for the HECCP, but funds are not available, you will be placed on a waitlist and contacted if/when funds become available.
- After applying, if you are deemed eligible for the HECCP, but qualified child care services are not available, please contact ADES.HECCP@nau.edu to be added to the child care services waitlist.

Reimbursements

- All enrolled participants must complete and upload an NAU Vendor Authorization Form per the directions they receive in their enrollment letter.
- Receipts for approved child care services are due no sooner than the 25th of the month services were provided and no later than the 5th of each month following the month child care services were provided. Receipts must be uploaded using the "Submit Receipts" button at nau.edu/HECCP as one combined .pdf document. Should enrolled student-parents require support with uploading receipts, they may contact HECCP staff at ADES.HECCP@nau.edu for assistance. Approved child care receipts for all retroactive payments are due as one combined .pdf for lump sum payment. After your enrollment is verified, student-parents may also utilize the link above to submit their retroactive receipts as one submission for all retroactive receipts.
- NAU HECCP reimbursement checks will be processed monthly and may take up to twelve (12) weeks to be received/deposited after program eligibility verification and upload of accurate receipts.
- Reimbursements will be distributed per the student-parent's NAU employment status:
 - Non-NAU Employee Student-Parents
 - Mailed checks: Reimbursements will be mailed to your mailing address in LOUIE (nau.edu/LOUIE) unless you complete the direct deposit request process.
 - Direct deposit: Directions for requesting direct deposit will be provided to each student-parent upon HECCP enrollment notification.
 - NAU Employee Student-Parents
 - Reimbursements will be sent to you via United States Postal Service as a paper check.
- Please note that receipts from tax credit payments will not be considered for reimbursement.
- Any State of Arizona child care or other ADES child care assistance must be communicated and fully utilized prior to reimbursement from the NAU HECCP.
- Summary of Accounts/Account Summaries from a child care provider will not be accepted as receipts.
- Please consult your professional tax advisor(s) as NAU HECCP reimbursements may be considered income and may impact financial aid or have tax implications. The program is designed to reduce tax implications; however, it is the student-parent's responsibility to research personal tax implications.
- Students are typically notified of eligibility, enrollment, contact, or waitlist status through their NAU email account within four (4) weeks of their application submittal, however, this process may take up to eight (8) weeks based on application volume.
- NAU HECCP reimbursements are intended for qualified child care expenses already incurred by the student-parent, which are dependent on the student's status and current, qualifying enrollment in child care occurring in Arizona.
- Students are responsible for providing the NAU HECCP with correct student, family and child care information, for updating their LOUIE (nau.edu/LOUIE) mailing address and contact information, for ensuring direct deposit information is accurate (if applicable), and for notifying ADES.HECCP@nau.edu of any contact information changes in a timely manner. Incomplete or delayed communications and reimbursements resulting from such inaccuracies are the responsibility of the student.
- If a student does not meet the application and child care receipt(s) due date, retroactive payments for Fall 2021 (back to October 1, 2021, only) through April 2024 will be considered on a case-by-case basis. There will be no retroactive reimbursements for child care services after April 2024 (processed in May 2024) and there will be no reimbursements for qualified child care after June 30, 2024, services are rendered. The pilot program will end June 30, 2024, unless the NAU HECCP is extended, and Guidelines are revised. Students are encouraged to apply and submit receipts in a timely manner for full consideration.
- To maintain continuity of care for children, days between sessions may be considered for reimbursement if a student is qualified for and enrolled in the NAU HECCP the following term.
- If parents remove their children from qualified child care and this results in a refund to the parents, that portion of costs previously reimbursed by NAU's HECCP is requested to be returned to this office within 30 days.
- Enrollment will be verified prior to any/all reimbursement processing. Please refer to <https://nau.edu/university-policy-library/> to confirm your enrollment eligibility.

- **Child Care Receipt Requirements:** Child Care receipts must have the following information to be considered for reimbursement:

- Uploading duplicate and/or fraudulent receipts may result in HECCP enrollment termination and immediate repayment/reimbursement of all monies received through the HECCP to NAU.
- Failure to comply with the above HECCP Guidelines may result in a denial of this student service.

Dependent Care and Tax Liability Issues

Child care can be a major expense for students. Contact a professional tax advisor to determine if you are eligible for a tax credit. Additionally, subsidized monies applied toward child care can be considered income and may be subject to taxation. The reimbursed expenses from the NAU HECCP may not be subject to taxation, but it is the responsibility of the enrolled student to make this determination with their professional tax advisor. This information is not intended to serve as tax advice. Consult your professional tax advisor to identify full tax implications of program use and to determine the optimal use of dependent care offerings.

The Dean of Students team is responsible for the administration of funds. Inquiries can be made by email to ADES.HECCP@nau.edu or by mail DOS, Room 104, Building 30, 1050 S. Knoles, Flagstaff, AZ, 86011, call (928) 523-5181, or visit nau.edu/HECCP should you have questions.

The NAU Higher Education Child Care Program (NAU HECCP) is a pilot program contingent upon funding, assessment of qualification, program updates, and distribution method. Therefore, funding assistance cannot be guaranteed, and method of distribution and program guidelines may change at any time. Eligible students have program access to apply; however, a completed application does not guarantee program enrollment.
