Fraternity and Sorority Life at Northern Arizona University, under the InterFraternity Council, the College Panhellenic Council and the United Greek Council, shall strive to focus on the health and safety of students while continuing to provide the fraternal experience to our siblings and outstanding service to our fellow students and communities. We will be a part of the difference of slowing the spread of COVID-19 by following CDC, NAU and Arizona guidelines including but not limited to:

1. Wearing of Masks in public areas and around others
2. Practicing Physical Distancing of at least 6 feet
3. Limiting social events to only those that can adhere to CDC, NAU, Flagstaff and Arizona guidelines

Providing a safe and healthy environment while maintaining a unified family will become our top priority. Fraternity and Sorority Life, Northern Arizona University, and the City of Flagstaff will stay strong together and push through these hard times by maintaining these guidelines and continuing to serve our community in need.
