

**NORTHERN ARIZONA
UNIVERSITY**
The W. A. Franke College of Business

Parking Instructions and Directions

The W. A. Franke College of Business (FCB) has reserved parking spots in lot P62/P62A/P62B for employer use during Career Exploration Day.

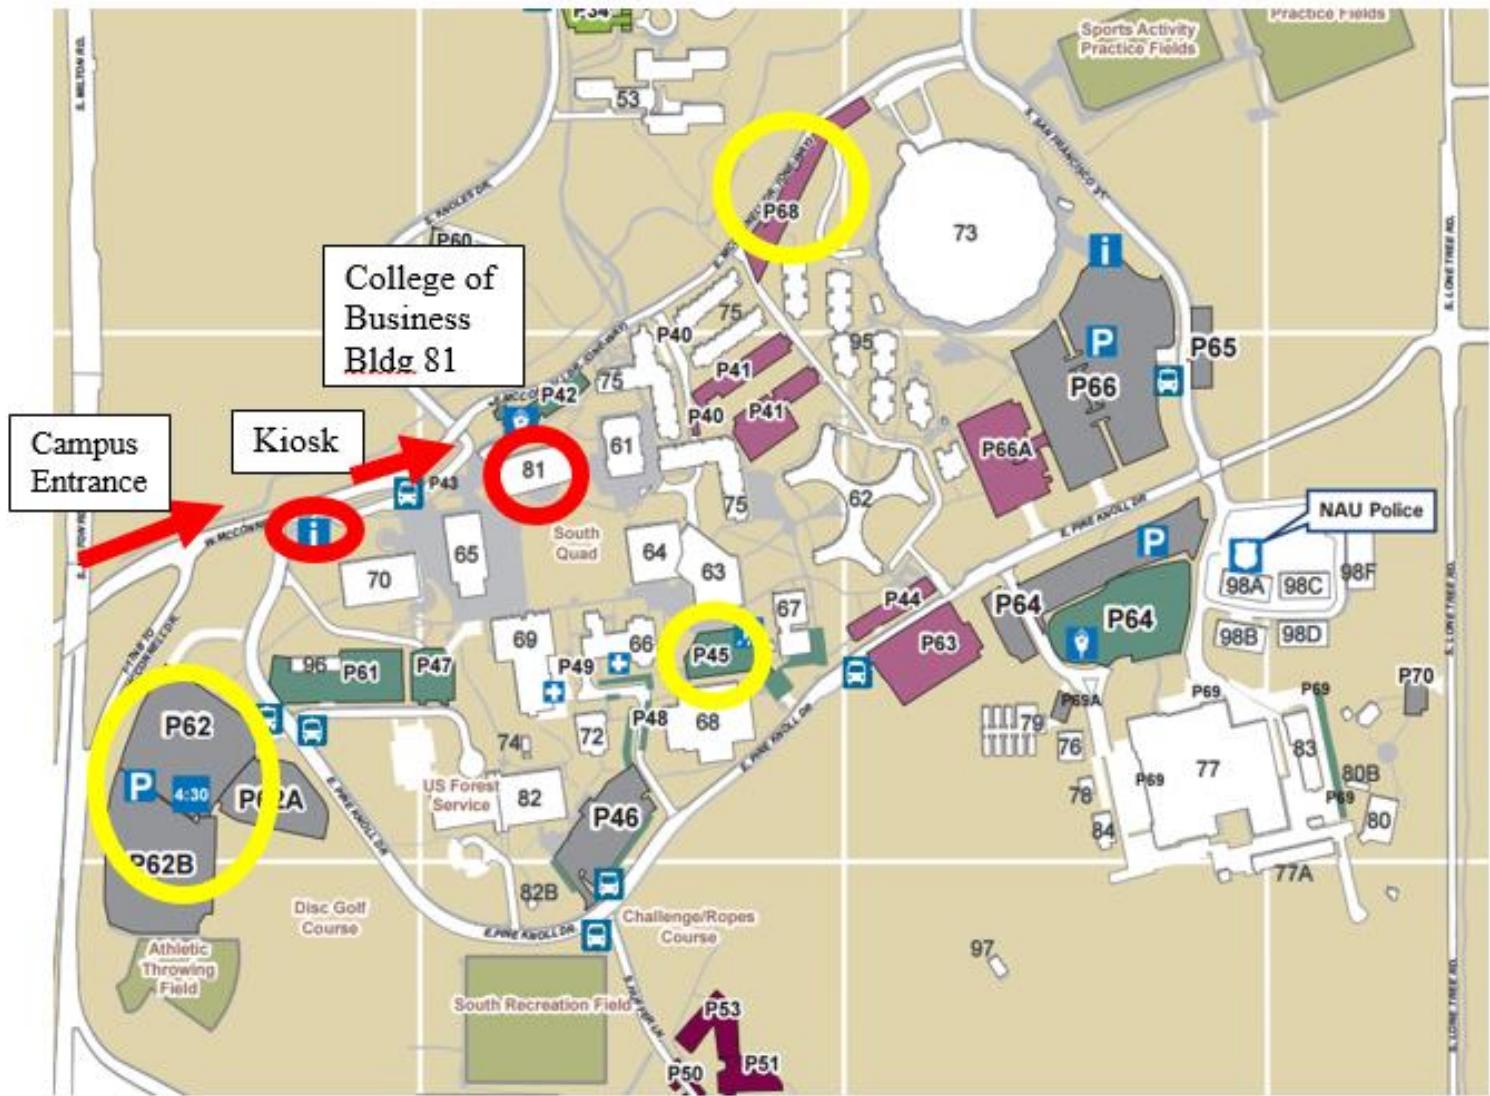

Signs will direct employers to the correct lot (see directions below). Please look for the attendant and the NAU Shuttle next to the balloons. They will give you a parking permit and show you where to park. You risk getting a ticket if you do not have a parking permit.

The shuttle will drive you to the FCB and drop you off at the front door of the building. The driver will direct you to the registration table.

This link will take you to a printable map and below is a portion of the map.
