- Read Product Description for sign type and sign material details.

Product Description

Printing Services does not install the inserts into the windmaster hardware or coordinate placement of signs. This is the responsibility of the requestor to coordinate with Facility Services.

Sign Type

Base Insert 28"x44" - This is the base full size sign.

Overlay 28"x8" - Can be used for unique "interchangeable" messaging like directional arrows or bold event specifics.

Sign Material

Outdoor Waterproof Poster - Short term use. To be used for 1 week or less.

Corrugated Plastic - Long term use. To be used for longer than 1 week or recurring events.

- Select options and click Review.

- Enter Job Name and Quantity. Use dropdown arrow to select background color.

- Use second dropdown to add arrows to insert (optional).
