3 + 3 Program between Northern Arizona and University of Arizona Bachelor of Arts or Bachelor of Science plus Juris Doctor

The 3 + 3 Program allows qualified students to save tuition costs and obtain a head start in completing their Juris Doctor degree by earning a bachelor's degree and a law degree in six years instead of seven.

Selected students who qualify for the Program will start law school after their junior year at NAU and will receive their bachelor's degree from NAU at the conclusion of their first year of study at the James E. Rogers College of Law. The Program enables students to skip one year of undergraduate study by applying the units obtained during the first year of law study toward satisfaction of their bachelor degree requirements. Students in the Program will be eligible to obtain their Juris Doctor degree after another two years of law study following the jointly-credited first year of law study.

To be considered for the 3 + 3 Program, please complete the following application and submit it to pre-law@nau.edu.
