# COLLEGE OF ARTS AND LETTERS

Join a creative and intellectually vibrant community of scholars as you pursue your passion and hone your craft through our graduate degree or certificate programs. You’ll fast-track your career in diverse fields such as creative writing, education, English, history, linguistics, music, Spanish, and many others.

#1 IN THE NATION FOR ONLINE MASTER’S ENGLISH PROGRAMS

– GradSource.com

“The MFA is so much more than a writing degree—it’s a journey of discovery, both of yourself and the world around you. I never thought I would end up here, but now that I am, I feel at home. I’m learning so much and I know it’s only the beginning.”

– Nicole Thurston, pursuing a master’s in Creative Writing

# COLLEGE OF EDUCATION

With our diverse graduate programs, you can further your career as a teacher, counselor, school psychologist, or administrator. Our courses will position you to successfully compete in a global society.

You'll join a community of scholars and innovators—in Flagstaff, online, and at our statewide locations—and develop the skills to become a leader in the future of education.

THE NAU GRADUATE COLLEGE  
AND ACADEMIC COLLEGES FUND  
**\$1 MILLION**  
ANNUALLY IN ASSISTANTSHIPS  
FOR TEACHING AND RESEARCH

“What drew me to NAU’s School of Forestry was the ecology focus and the integrative, collaborative research. You’re in the same offices as people who do soil work, who work with wildlife. Since I’ve been here, I’ve really come to appreciate the support that NAU provides its graduate students.”

– Connor Crouch, pursuing a PhD in Forestry

# COLLEGE OF THE ENVIRONMENT, FORESTRY, AND NATURAL SCIENCES

Join fellow scientists on the Colorado Plateau—one of the most ecologically diverse natural labs in the world. Transformative, impactful research, an engaged and diverse community, and a commitment to exploration, discovery, and sustainability abound. Here, you’ll have opportunities to conduct meaningful research with world-renowned faculty in one of our 30 high-tech labs and institutes, including:

- Center for Ecosystem Science and Society
- Ecological Restoration Institute
- Landscape Conservation Initiative Lab
- Merriam Powell Center for Environmental Research
- Pathogen and Microbiome Institute
