October 7th

7:00 pm - 9:30 pm

(doors open 6:30)

Cline Library Assembly Hall

Open and FREE to all

*Some language and scenes may not be appropriate for children.

What is inspiration porn?

Stella Young, an Australian disability activist, coined the term '*inspiration porn*' to describe the portrayal of people with disabilities as *objects of inspiration*.

The word **porn** is used deliberately to indicate the "**objectification of disabled people for the benefit of non-disabled people.**"

We will be showcasing several **award-winning** short films highlighting the **disability experience**, including one locally produced film.
