

Are you entering IGP in the Spanish language at 300-level proficiency in Level 1?

You may be eligible for and interested in the Spanish Bachelor of Arts, Professional IGP emphasis.

What does this mean?

IGP students entering at a high-level of Spanish proficiency (SPA 300+ by exam, heritage, or credit) can choose between completing their second major between the Modern Languages IGP Spanish emphasis B.A. and the Spanish Professional Interdisciplinary Global Programs emphasis B.A.

Modern Languages IGP Spanish emphasis B.A.	Spanish B.A. Professional IGP Emphasis

Prepares students to be teachers of the language, and its associated culture and content - Focus on language and its linguistic constructs with a focus on grammatical explanations - Recognized across institutions and industries - Designed to fit with IGP - Generally complete in 4.5-5 years

I'm interested, how do I confirm my eligibility?

Review the [detailed requirements](#) of the Spanish B.A., then

- Go to the [GLC department](#) web page
- Determine what credit you already have based on the policies and procedures for AP, CLEP, etc.
- Complete the [proficiency exam](#) and follow the instructions to communicate results
- Determine if you would like to take the \$90 Challenge Exam. A passing score gives 3 credit hours for SPA 303, one of the required courses for the Spanish B.A. degree.

*Students entering after Level 1: review the Spanish progression plan. If you already have NAU credit for required courses from previous years, you are on track. If not, work with IGP to discuss options for eligibility.

If you're sure you meet eligibility and are interested in selecting the Spanish B.A. major, please contact IGPgoEpic@nau.edu
