

Directions: Select your course catalog year (the year you started at NAU) [here](#) then add your individual STEM, Business, or Psychology major's progression plan to the guide below to see your five-year degree path. **Be sure to meet with your academic advisor and IGP Region Lead each semester to ensure your graduation timeline.**

YEAR
1

First Year-Fall	
SPA 303*	3
SPA 301 or SPA 311	3
Total Units:	

First Year-Spring	
SPA 304W or SPA 312W	3
Total Units:	

Notes:
If you do not have SPA transfer credits for SPA 201 or SPA 202 you must apply to earn Retrocredits during the first two weeks of your first semester. They will fulfill your Arts & Humanities General Studies requirement along with being necessary for the degree.

YEAR
2

Second Year-Fall	
SPA 321 or SPA 322	3
Total Units:	

Second Year-Spring	
SPA 340 or SPA 341	3
Total Units:	

Notes:

YEAR
3

Third Year-Fall	
SPA 404	3
Total Units:	

Third Year-Spring	
SPA 300-400 elective	3
Total Units:	

Notes:

Questions?

About your language progression: Email your IGP Language Mentor

About your major progression: [Schedule an appointment](#) with your University Advising advisor by selecting "Academic Advising"

About IGP requirements/events: [Schedule an appointment](#) with your IGP Region Lead by selecting

Work with your IGP Language Mentor and your FCB/SCE/CEFNS/Psych Advisor to select the best classes to take abroad. You will work with your Education Abroad Advisor on your course transfer process and your IGP Region Lead on your internship experience plan.

YEAR
4

Fourth Year-Fall: Abroad	
SPA 300-400 elective	3
SPA 300-400 elective	3
LAN 340 (IGP Online) (SPW/G)	3
Total Units:	

Fourth Year-Spring: Abroad	
SPA 408* Fieldwork Practicum 6-12 units=270-540 fieldwork hours	
	6-12
Total Units:	

Notes:
Depending on your internship and other courses available to you in the Spring you are abroad, you can take 6-12 credits of SPA 408

YEAR
5

Fifth Year-Fall	
LAN 450C* (Topic: Spanish)	3
Total Units:	

Fifth Year-Spring	
Total Units:	

Notes:

Notes:

The following courses are required before going abroad:

- SPA 304W or SPA 312W
- Minimum four 300 level SPA courses
- Junior course requirements for both majors – including Capstone prerequisites

While abroad, you can take:

- NAU online courses, but this is difficult and not recommended
- Courses in the spring with your Fieldwork experience. This is uncommon unless you are in a hybrid program.

Honors: students can receive up to 10 H credits with IGP (LAN 340H, SPA 408H, and LAN 450CH). Honors students can use LANG 408H and LAN 450CH to complete their Honors Capstone.

General Studies (GS):

Use your [Academic Requirements Report](#) to determine which GS categories you have fulfilled.

Foundation English _____

Foundation Math _____

Lab Science (LAB) _____

Science Applied Science (SAS) _____
