

JACKS PLANNER

Completing your degree is a top priority and Jacks Planner is an online tool making it easier to accomplish that goal. You can map out your entire academic path from start to finish using this user-friendly, flexible interface. It makes academic planning efficient for both students and advisors. Below are a few of the features in Jacks Planner.

Setting Term Preferences

Arrange My Planner – the ability to re-arrange courses between terms by using drag-n-drop.

Jacks Planner Report - a summary of all courses completed, in progress and planned for declared plans.

What-If Report – a tool to explore adding or changing a major or minor.

Overview - a high level overview of degree completion and advisor name.

The main page of the planner provides various information.

A link to Jacks Scheduler is available during enrollment to select and enroll in classes

“Notes” offer important details about a course(s).

“Critical” identify courses that are milestones for predicting successful progress in the plan.

“Info” displays the course description and pre/co-requisites.

“Select” allows you to choose a course for the particular requirement.

“Lock” keeps a course in a specific term.

“Advisor Message” personalized communication from an advisor.

“Remove” and “Add Course” should only be used with advisor approval.

Jacks Planner Popular Features

Select a Course

Filters can be used to limit or increase your course options. For instance, with no filters applied, all of the Liberal Studies & Diversity courses are displayed. However, using filters your list can be narrowed down to only courses you are interested in that will fulfill the Liberal Studies & Diversity requirement!

What-If Report

The What-If Report provides a high level planner with the coursework you've already completed when you are considering changing a major, adding a minor, choosing a double major, or selecting a particular emphasis.

Arrange My Plan

You've looked at your Jacks Planner, but now you want to move a few courses around. Could you graduate early or rearrange your sequence to better suit your schedule? Use Arrange My Plan to personalize your sequence of courses.

Create Jacks Planner What-If Report

If you are considering changing your plan or adding a plan, you may use this page to create a what-if scenario to study.
