The earliest your enrollment or contribution change can start is the first day of the month following your completed request. Please remember, your employer's processing schedule will determine the actual effective date of the contribution. It is the Plan Sponsor's/Pay Center's responsibility to ensure deferrals do not commence too early.

I authorize my employer to reduce my salary by the above amount for credit to my account with my employer's Deferred Compensation Plan. This reduction will begin on the pay period specified above, but no sooner than is permitted by law or than is administratively practicable. This reduction will continue until otherwise authorized by my employer in accordance with the Plan.
