¹⁰ See section 5 "Leave of Absence, Return to Work and Termination of Employment."

To maintain coverage, you must select one of two payment options before your leave begins, or, in the case of an unplanned/emergency leave, as soon as possible after the beginning of the leave. You may make monthly after-tax payments directly to the plan during the leave period, OR you may pay one payroll deduction pre-tax amount before your leave begins to cover contributions due for the entire leave period.

¹² If you do not notify your Human Resources office upon your return to work, your coverage will resume with the same annual contribution you had prior to your leave.

¹³ See section 5 "Leave of Absence, Return to Work and Termination of Employment."

¹⁴ If your remaining Health Care FSA benefits for the current plan year are greater than your remaining contributions on the date of your COBRA qualifying event, then you are eligible for COBRA continuation coverage.

¹⁵ If you do not notify your Human Resources office upon your return to work, your coverage will resume with the same annual contribution you had prior to your leave.
