How to use the Online Timesheet to Request Time Off

Log into LOUIE – HR Home (LOUIE)
Select Time Reporting

Timesheet opens in the current week
You can use the drop down to view by pay period or click on Previous Week or Next Week hyperlinks to move backward or forward

Updated 2/2022
Select the Day, Week or Pay period option and record the requested type of leave and submit.

Once you submit you will be asked to acknowledge that the time reported is accurate and complies with University Policies – this is your electronic signature.

Once submitted you will see the hours that need approval in the “Reported Time Status” below the timesheet.
By clicking on the “Needs Approval” Hyperlink you can see who can approve your form – this will be your immediate supervisor and/or any proxy they have set up. Select “Return to Timesheet” to go back to your timesheet.
Requesting Future Time off

Select a future date refresh by hitting the green arrows (again you can view by future day, week or pay period)

Enter and submit requested time off

You can also view your Leave Balances while in the timesheet- The “Recorded Balance” reflects future time off requests and any other requests that have not been previously processed.
To View your current available balance Click on the icon under the “View Detail” tab and a window will pop up displaying your current available balance.  (Note the difference in the Recorded Balance above and the End Balance Below)
Adding Comments

After submitting a time off request you may add comments for your supervisor if you want or need to.

Click on the comment box

Enter your comment and then select “Apply” or “OK”
Selecting “Add Comment” opens up another window for making additional comments after you have applied the first comment. Once a comment has been applied, as stated in the “Note” section, the original comment cannot be deleted or altered as pictured below.

If you have not selected “Apply” or “Ok” you can hit cancel and it will not save your comment.

To view all future time off requests you can select “Actions” under the name and title and click on “My Future Time” to get a list of time requested.
